Anne van den Nouweland

Department of Economics, 435 PLC  
1285 University of Oregon  
Eugene, OR 97403-1285

### **Academic Degrees**

- February 5, 1993 PhD, Department of Econometrics, Tilburg University, The Netherlands. PhD Dissertation: "Games and Graphs in Economic Situations". Dissertation supervisor: Prof. Dr. S.H. Tijs
- January 26, 1989 Masters in Mathematics (Doctoraal), University of Nijmegen (now Radboud University), The Netherlands. Thesis: "Intuitionistic Stieltjes-integrals". Supervisors: Prof. Dr. A.C.M. van Rooij and Prof. Dr. W.H.M. Veldman.
- August 31, 1984 Bachelor's in Mathematics (Propaedeuse), University of Nijmegen Nijmegen (now Radboud University), The Netherlands

### **Professional Experience (appointments)**

- 2007-present: Full Professor, Department of Economics, University of Oregon, USA (on leave during 2007)
- 2012: Visiting Professor, Centre d'Economie de la Sorbonne, Université Paris 1, Paris, France (May)
- 2011: Visiting Professor, PREG-CECO Laboratory, Ecole Polytechnique, Palaiseau, France (May)
- 2007: Professorial Fellow, Department of Economics, The University of Melbourne, Australia
- 2001-2007: Associate Professor, Department of Economics, University of Oregon, USA (on leave during 2007)
- 2003: Fellow, Economic Theory Center, Department of Economics, The University of Melbourne, Australia (January-June)
- 1996-2001: Assistant Professor, Department of Economics, University of Oregon, USA
- 1994-1996: Member of the CentER for Economic Research, Tilburg University, The Netherlands
- 1993-1996: Assistant Professor in Mathematical Economics, Department of Econometrics, Tilburg University, The Netherlands
- 1992-1993: Scientific Advisor on Game Theory, PTT Research, The Netherlands
- 1991-1993: Teaching Assistant at the Department of Econometrics, Tilburg University, The Netherlands
- 1988-1991: Teaching Assistant at the Department of Mathematics, University of Nijmegen, The Netherlands

### **Memberships**

American Economic Association, Association of Public Economic Theory, Game Theory Society, Society for the Advancement of Economic Theory.

### **Grants and Awards**

Summer Research Award, Department of Economics, University of Oregon, 2011, 2012, 2013, 2014, 2015, 2016, 2017, 2018, 2019

Summer Research Award, University of Oregon, 2010

Research Innovation Award, awarded by the Vice President for Research of the University of Oregon, 2008

Dean's Certificates for Excellence in Undergraduate and Postgraduate Teaching for 2007, The Faculty of Economics and Commerce, The University of Melbourne, 2008

ARC (Australian Research Council) Linkage grant. Joint with F. Vazquez-Abad and D. Dufresne (both from The University of Melbourne), and M. Menabde (BHP Billiton). 3-Year grant (2008-2010) awarded September 2007. Cash Amounts: AUD 240,000 from the ARC and AUD 76,000 from BHP Billiton.

William J. Walsh Fellowship, Dept. of Economics, University of Oregon, 2006

Economics Summer Research Award, Dept. of Economics, University of Oregon, 2004, 2005

Gary L. and Deanna K Feldman Fellowship, Dept. of Economics, University of Oregon, 2003

Terry and Carol Reinhold Faculty Fellowship, Dept. of Economics, University of Oregon, 2002

Stewart Fellowship, Department of Economics, University of Oregon, 2002

NSF grant SBR-9729568, May 1, 1998, through October 31, 1999

Junior Professorship Development Award, College of Arts and Sciences, University of Oregon, 1997, 1998, 1999, 2000

New Faculty Award, Office of Research and Faculty Development, University of Oregon, 1997

Travel grants from NWO (Dutch Organization for Scientific Research), 1991, 1992, 1993, 1994, 1995, 1996

### **Presentations, Conferences, and Research Visits (2005-2019)**

**2019** CTN Conference (University of Aix-Marseille, France), PET Conference (Strasbourg, France). Visitor of The Paris School of Economics.

**2018** Invited seminar at NYUAD. CTN Workshop (Maastricht, Netherlands), PET Conference (Hue, Vietnam), CEPET Workshop (Udine, Italy). Invited Keynote speaker at PET Hue. Visitor of The Paris School of Economics and NYUAD (AbuDhabi, UAE).

**2017** At CTN Workshop (Glasgow, Scotland), Workshop on Economic Design and Institutions (Brussels, Belgium), and APET/NYUAD Workshop (AbuDhabi, UAE). Visitor of the Department of Economics, The University of Edinburgh (Scotland, UK) and The Paris School of Economics.

**2016** Invited seminar at UW Bothell School of Business. At NSF/CEME Decentralization Conference (Brown University, Providence RI), "Matching in Practice and Advances in Market Design" (Paris School of Economics, France), CEPET (Udine, Italy), GAMES (Maastricht, Netherlands). Visitor of Centre d'Economie de la Sorbonne (CES), Université Paris 1 (Paris, France).

**2015** At "ASSA Meetings" (Boston), CTN Workshop (San Servolo, Venice, Italy), CEPET (Udine, Italy), and PET15 (Luxembourg). Guest lecture at Tulane University. Visitor of Concordia University, Montreal (Canada).

**2014** At conferences "ASSA Meetings" (Philadelphia), "Workshop on Coalitions and Networks" (Montreal, Canada), CEPET (Udine, Italy), PET14 (Seattle, WA), and "Workshop on Dynamic Networks" (Paris, France). Invited seminar and guest lecture at Tulane University. Invited

seminar at Centre d'Economie de la Sorbonne (Paris, France). Visitor of Concordia University, Montreal (Canada) and Centre d'Economie de la Sorbonne (CES), Université Paris 1 (Paris, France).

**2013** At conferences “ASSA Meetings” (San Diego), “Networks and Externalities” workshop (Louisiana State University, Baton Rouge), CEPET (Udine, Italy), PET13 (Lisbon, Portugal), SWET (Paris, France), and SAET (Paris, France). Visitor of Centre d'Economie de la Sorbonne (CES), Université Paris 1 (Paris, France).

**2012** At workshops “Models of Influence and Network Theory 3” (Centre d'Economie de la Sorbonne, Paris) and CEPET (Udine, Italy). Invited seminar at Paris School of Economics. Visitor professor of the Centre d'Economie de la Sorbonne, Université Paris 1 (Paris, France) (presented an 8-hour short course).

**2011** At workshops “Models of Influence and Network Theory” (Centre d'Economie de la Sorbonne, Paris), CEPET (Udine, Italy), and the “2011 Midwest Economic Theory and International Trade Meetings” (Vanderbilt University). Invited seminars at the University of Arizona, The University of Melbourne, The University of New South Wales (Sydney), Australian National University (Canberra), University of Queensland (Brisbane, Australia), Ecole Polytechnique (ParisTech; Palaiseau, France), Tilburg University (The Netherlands), the University of Santiago de Compostela (Spain), the University of La Coruna (Spain), and Vanderbilt University. Visitor of the School of Economics, Australian School of Business, The University of New South Wales (Sydney, Australia) (presented a 6-hour short course). Visitor of the Ecole Polytechnique (ParisTech; Palaiseau, France) and Centre d'Economie de la Sorbonne (Paris, France). Visitor of the Department of Statistics and Operations Research, University of Santiago de Compostela (Spain). Visitor of the Department of Economics, Vanderbilt University (presented 2 guest lectures in the Networks Seminar).

**2010** At conferences “15<sup>th</sup> Coalition Theory Network Workshop” (Marseille, France), “PET10” (Istanbul, Turkey), “Conference on Theoretical Economics” (University of Kansas), and “Game Theory Seminar in Honor of Stef Tijs” (Tilburg University, the Netherlands).

**2009** Invited seminars at UC Davis, Tilburg University (The Netherlands), the Stockholm School of Economics (Sweden), and Tulane University. At conferences “PET09” (Galway, Ireland), “CEPET” workshop (Udine, Italy), and “SING5” (Amsterdam, The Netherlands).

**2008** Invited seminar at The University of La Coruna (Spain). Guest lecture at Vanderbilt University (Nashville, TN). At conferences “NSF/CEME Decentralization Conference” (New Orleans, LA) and “SCW08” (Montreal, Canada). Visitor of the Department of Economics, The University of Melbourne, and the Department of Computer Science, University of La Coruna (Spain).

**2007** Invited seminars at Tilburg University (The Netherlands) and the University of Queensland (Australia). At conferences “25<sup>th</sup> Australasian Economic Theory Workshop” (Canberra, Australia), “CEPET” workshop (Udine, Italy), and “PET07” (Nashville).

**2006** At conferences “PET06” (Hanoi, Vietnam), “ESAM06” (Alice Springs, Australia), and workshop “Coalitions and Networks” (Montreal, Canada). Visitor of the Department of Statistics and Operations Research, University of Santiago de Compostela (Spain), and the Economic Theory Center in the Department of Economics, The University of Melbourne.

**2005** Invited seminars at Vanderbilt University, the University of Alabama (Tuscaloosa), the Naval Postgraduate School (Monterey, CA), and Tilburg University (The Netherlands). At conferences “PET 05” (Marseille, France) and “7<sup>th</sup> SAET Conference” (Vigo, Spain). Visitor of the Economic Theory Center in the Department of Economics, The University of Melbourne, Department of Statistics and Operations Research, University of Santiago de Compostela (Spain), the Department of Economics, Vanderbilt University, and the Mathematics Department, Naval Postgraduate School (Monterey, California).

## **Research Interests**

Game Theory  
 Mathematical Economics  
 Microeconomic Theory

### **Professional Service**

**Associate Editor** of the Journal of Public Economic Theory (2006-present) and of the Journal of Dynamics & Games (2018-present).

**Referee** for American Economic Review, Annals of Operations Research, B.E. Journal of Theoretical Economics, Central European Journal of Operations Research, Econometrica, Economic Bulletin, Economic Theory, European Economic Review, European Journal of Operational Research, Games and Economic Behavior, International Game Theory Review, International Journal of Game Theory, Journal of Economic Theory, Journal of Mathematical Economics, Journal of Public Economic Theory, Journal of Strategic Behavior and the Environment, Mathematics of Operations Research, Mathematical Programming, Mathematical Social Sciences, Methods and Models of Operational Research, Operations Research Letters, Operations Research Spectrum, Optimization, PLOS ONE, Review of Economic Design, Review of Economic Studies, Social Networks, Southern Economic Journal, Telecommunication Systems, Theory and Decision, TOP (Spanish Journal of Operations Research), ZOR-Methods and Models of Operations Research.

**Member of the “Panel of Experts”** of the Fund for Scientific Research (F.R.S.-FNRS) (Belgium) (Evaluation of funding proposals)

**Grant proposal reviewer** for the NSF and the City University of Hong Kong.

**Member of the program committee** of the International Workshop on Cooperative Games (June 1996), the International Conference on Logic, Game Theory, and Social Choice (May 1999), PET 2006 Hanoi, PET 2007 Nashville, PET 2009 Galway, CEPET 2009 Udine, PET 2010 Istanbul, CEPET 2011 Udine, CEPET 2012 Udine, CEPET 2013 Udine, PET 2013 Lisbon, CEPET 2014 Udine, PET 2014 Seattle, CEPET 2014 Udine, PET 2015 Luxembourg, CEPET 2015 Udine, CEPET 2016 Udine, PET 2016 Rio de Janeiro, 2016 Latin American Meetings of the Econometric Society (LACEA LAMES, Medellin, Columbia), CEPET 2017, PET 2017, CEPET 2018, CEPET 2019, PET 2019.

**Member of the scientific committee** of the NSF Network Science in Economics Conference Series (2015-2019).

**Co-organizer** of the National Workshop of the LNMB (Landelijk Netwerk Mathematische Besliskunde; National Network for Decision Sciences) (May 1992).

**Discussant** at the workshop of the European Science Foundation on Local Public Goods, Politics, and Multijurisdictional Economies (July 2002), the 21<sup>st</sup> Australian Economic Theory Conference (February 2003), the Allied Social Science Associations Meetings (January 2004), the 25<sup>th</sup> Australasian Economic Theory Workshop (February 2007), and the PGPPE Session at PET 2010 (June 2010).

**Panelist** at the 2<sup>nd</sup> Australian Workshop on Experimental Economics (August 2007).

### **Teaching Experience**

**Courses in Teaching Effectiveness taken:** Didactic Days, January 16-17, 1996; Didactic Days, January 19-20, 1994; Course in Didactic, November 5-10, 1992.

**1996-present Department of Economics, University of Oregon:** Theories of Industrial Organization (EC 460/560), CORE Microeconomics II (EC 607), Game Theory (EC 607), Intermediate Microeconomic Theory (EC 311), Advanced Microeconomic Theory (EC 411/511), Games and Decisions (EC 427/527), and Mathematics for Economists (EC 408/508). Supervision of Research 401, Reading 405, and Reading 605.

**2003 and 2007, Department of Economics, The University of Melbourne:** Game Theory (4<sup>th</sup> year and Honors level). Microeconomic Theory (PhD level).

**1991-1996 Department of Econometrics, Tilburg University:** Teaching assistant for courses (at different levels) in Game Theory, Analysis, Algebra, and Public Sector Economics. Courses taught (at different levels) with full responsibility: Mathematical Economics, Industrial Organization, and Mathematics. Supervision of practical training of several students.

**1995 Department of Mathematics, University of Utrecht:** Courses taught (at graduate and undergraduate levels) with full responsibility: Introduction to Economics and Microeconomics.

**1989-1991 Department of Mathematics, University of Nijmegen:** Teaching assistant for courses (at different levels) in Stochastic, Logic, Statistics and Operations Research, and Mathematical Economics and Game Theory.

### **Student Advising**

**PhD Dissertation Committees** J. Wyer (University of Oregon; member, May 16 2016), P. Stiffler (University of Oregon; member, February 19 2010), P. Boothe (Computer Science, University of Oregon; outside member, August 13 2009), M. Visser (University of Oregon; member, August 1 2005), R. Wooster (University of Oregon; co-chair, May 2 2002), M. del Pilar Montero Garcia (Tilburg University; member, June 28 2000), J.
