Employment History

(three entries)

- 1.) Oregon State Museum of Anthropology, various duties
June 1, 1995 – September 30, 2002
1224 University of Oregon
Eugene, OR, 97403-1224
Contact: Dr. Thomas J. Connolly 541-346-3031

Duties included the following:

Zooarchaeological analysis

Determination of Eligibility preparation

Data Recovery Plan preparation

Development of a statewide comparative faunal collection, including collection, processing, and curation of over 380 specimens of reptiles, mammals, fish, and birds.

Supervision of field operations, analysis, and reporting of archaeological clearance projects in advance of Oregon Department of Transportation highway projects in compliance with Section 106 requirements, carrying out similar projects on behalf of the Oregon Parks and Recreation Department.

- 2.) Oregon Department of Transportation: Environmental Project Coordinator 2
November 1, 2002 to February 28, 2005
355 Capitol Street NE, Room 314
Salem, OR 97301
Contact: James B. Norman 503-986-3514

Duties included the following:

Project Archaeology

Internal project management, averaging 150-200 projects per year.

Coordination of schedules for archaeological surveys, testing and data recovery with OSMA and private contractors.

Maintaining records for archaeological work and preparation of estimates.

Evaluation of archaeological survey, testing, and data recovery proposals in compliance with applicable laws.

Preparation of Section 106 documents for mitigation of archaeological sites.

Regulatory Compliance

Conduct research to assess the effects of transportation projects on archaeological resources, and traditional cultural properties in keeping with historic preservation laws and regulations.

Interpretation of rules and regulations in development of research and compliance procedures.

Conduct reconnaissance and pedestrian surveys, document searches, and interact with tribes, planners, historians, and preservationists to identify significant properties.

Utilizing collected information in technical reports, Determinations of Eligibility, and Section 106 reports in coordination with the State Historic Preservation Office, other agencies, tribes, and the public.

Patrick O'Grady – Vita

Liaison

Creating and maintaining liaisons with other ODOT departments, various state and federal agencies, tribal organizations, and the State Historic Preservation Office.

Training

Performing education and outreach on behalf of ODOT, with regard to archaeological and cultural resource issues.

Assisting in government to government communications with tribes as defined in Senate Bill 770.

Archaeological training and support for construction and maintenance divisions.

- 3.) Oregon State Museum of Anthropology, Staff Archaeologist
February 1, 2005 to present
1224 University of Oregon
Eugene, OR, 97403-1224
Contact: Dr. Thomas J. Connolly 541-346-3031

Duties include the following:

Classroom instruction at Eugene and Bend campuses

Zooarchaeological analysis.

Remote Sensing operations utilizing GSSI SIR-3000 Ground Penetrating Radar.

Supervision of field operations, analysis, and reporting of archaeological clearance projects in advance of Oregon Department of Transportation highway projects, local government projects, and others.

Teaching archaeological field schools on behalf of the University of Oregon Anthropology Department.

Teaching Experience

| | | |
|------------------------------|---------------------------------|--|
| University of Oregon | Archaeological Field School | 1995, 1997-2001, 2005-2009 (A second field school was taught in 2007 for Klamath tribal members) |
| Lane Community College | Anth 103: Cultural Anthropology | Fall, 2006 |
| | Anth 102: World Archaeology | Winter 2010, 2011 |
| University of Oregon-Bend | Anth 344: Oregon Archaeology | Fall, 2006 - 2010 |
| | Anth 340: Fund. of Archaeology | Spring, 2007 – 2011 |
| | Anth 471: Zooarchaeology | Spring 2009 - 2011 |
| University of Oregon, Eugene | Anth 344: Oregon Archaeology | Winter 2008 |

Training Facilitation

| | | |
|----------------------------|--------------------|--------------------|
| Oregon Archaeology Society | ExcavationMethods | February 2009-2011 |
| | Laboratory Methods | February 2009-2011 |

Field Experience

Oregon State Museum of Anthropology

Phase I (Survey) statewide
Phase II (Testing) statewide
Phase III (Data Recovery) statewide
Ground Penetrating Radar statewide

Burns District Bureau of Land Management

Phase I Harney County
Phase II Harney County
Phase III Harney County

Academic Information

Graduate of Phoenix High School, Phoenix, Oregon; June, 1977
Lane Community College, Eugene, Oregon, Winter, 1989-Spring, 1994
University of Oregon; Fall, 1996; B.S., Magna cum laude
University of Oregon; Fall, 1999; M.S
University of Oregon; Fall, 2006; Ph.D.

Archaeology Field School Training

1994 University of Oregon Archaeology Field School, Fort Rock Basin, June 20 - July 30, 1994

Awards

Graduate Teaching Fellowship, Summer 1997; Summer 1998; Summer 2000; Fall, 2000; 2001-2002 academic year; Summer, 2001; 2002-2003 academic year; Spring 2005
Graduate Research Fellowship, 1997/1998 academic year; Summer 1998; 1998/1999 academic year; Summer 1999
Starr General Scholarship from the University of Oregon for graduate studies, 1997-1998 school year; \$2100.
Graduate School Research Award from the University of Oregon Graduate School; June, 1998 - \$250
Research Funding through University of Oregon Archaeological Field School - \$6500
Edna English Trust; February, 2000 - \$3000
Burns BLM, cost share funding for research in the Harney Basin, Oregon; October, 2000 - \$22,000
USDA-US Forest Service: Malheur National Forest; September, 2000 - \$2300
Burns BLM, research funding for 2001-\$7,000
Burns BLM, additional research funding for 2001-\$3,500
Burns BLM, research funding for 2002 - \$9,000.
Burns BLM Star Award for 2002 - \$2002
Prineville BLM, Research Funding for 2005-2007 – \$30,000
Burns BLM, Research funding for 2007-2009 – \$63,000
Burns BLM, Research funding for 2010-2011 – \$65,000

Presentations

- Paper: Zooarchaeological Analysis of the Bowling Dune and DJ Ranch Sites.
1996 Great Basin Anthropological Conference, King's Beach, California
- Paper: Late Holocene Temporary Campsites of the Harney Basin, Southeastern Oregon.
1998 Great Basin Anthropological Conference, Bend, Oregon.
- Chair: Northern Great Basin and Borderlands Symposium.
1998 Great Basin Anthropological Conference, Bend, Oregon.
- Paper: An Analysis of Sourced Obsidian Projectile Points from Playa Villages in the Fort Rock Uplands, South-central Oregon.
1999 Northwest Anthropological Conference, Newport, Oregon.
- Paper: Middle Holocene Adaptations on the Northwestern Great Basin/Southwestern Plateau Interface: Subsistence, Trade, and Social Organization in the Fort Rock Basin of Central Oregon. Dennis L. Jenkins, Marge Helzer, Leah Largaespada and Patrick O'Grady
2000 Northwest Anthropological Conference, Spokane, Washington.
- Paper: Suspended in Time: A 5000 Year-old Butchering Site in South-central Oregon
2000 Great Basin Anthropological Conference, Ogden, Utah
- Paper: Making Sense of Late Prehistoric Upland Residential Bases in the Mount Bennett Hills of Southern Idaho: Potentially Helpful Research from Central Oregon. Lael S. Henrikson, Lisa Cresswell and Patrick O'Grady.
2000 Great Basin Anthropological Conference, Ogden, Utah
- Paper: Gravelly Ford: A Middle and Late Holocene Pithouse Site in the Chewaucan Marsh. Brian L. O'Neill, Patrick O'Grady, and Dennis L. Jenkins.
2000 Great Basin Anthropological Conference, Ogden, Utah
- Paper: Return to a Jackrabbit Roasting Site (35HA3055) in Southeastern Oregon: The Obsidian Sourcing and Hydration Evidence. Scott Thomas, Patrick O'Grady, Craig Skinner, and Jennifer Thatcher
2002 Northwest Anthropology Conference, Boise, Idaho
- Paper: A Tidy Little Package: A Bureau of Land Management Case Study of the Utility of Multiple Forms of Archaeological Analyses in the Interpretation of Small Sites . Scott Thomas and Patrick O'Grady.
2002 Oregon Heritage Conference, Agate Beach, Oregon.
- Paper: Fluted Projectile Points: A Close Examination of Finds from Burns District BLM Lands in the Northern Great Basin. Scott Thomas and Patrick O'Grady. 2006 Northwest Anthropological Conference, Seattle Washington
- Lecture: Results of 2005-2006 Redmond Caves Archaeological Investigations. Archaeology Society of Central Oregon, September 27, 2006
- Lecture: Results of 2005-2006 Redmond Caves Archaeological Investigations. Oregon Archaeology Celebration, Smith Rock, Oregon, September 27, 2006
- Lecture: Results of 2005-2006 Redmond Caves Archaeological Investigations. Bowman Museum Lecture Series, Prineville Oregon, October 6, 2006
- Paper: Fluted Projectile Points: A Close Examination of Finds from Burns District BLM Lands in the Northern Great Basin. Scott Thomas and Patrick O'Grady. 2006 Great Basin Anthropological Conference, Las Vegas, Nevada
- Papers: Fluted Projectile Points: A Close Examination of Finds from Burns District BLM Lands in the Northern Great Basin. Scott Thomas and Patrick O'Grady.
The 2005 and 2006 Field School Excavations at Redmond Caves: A *Very* Brief Summary.
2006 Association of Oregon Archaeologists Meeting, Eugene, Oregon
- Lecture: Results of 2007 Sage Hen Gap (35HA3548) Archaeological Field School, Harney County
Burns Archaeology Club, Burns, Oregon October 18, 2007
- Lecture: Results of the Analyses from the 2005-2006 Redmond Caves Field Schools, Deschutes County
Oregon Archaeology Celebration, Smith Rock, Oregon, October 26, 2007

Patrick O'Grady – Vita

- Lecture: Results of 2007 Sage Hen Gap (35HA3548) Archaeological Field School, Harney County Archaeological Society of Central Oregon, Bend, Oregon November 15, 2007
- Lecture: Results of the Analyses from the 2005-2006 Redmond Caves Field Schools, Deschutes County Oregon Lifelong Learning Institute, Bend, Oregon, May 21, 2008
- Papers: Sheep Mountain Clovis Site, Harney County, Oregon: Results from the 2008 U of O Field School Excavations. Patrick O'Grady, Scott Thomas, and Bill Lyons. 31st Great Basin Anthropological Conference, Portland, Oregon.
Paleoarchaic Lithic Artifacts of the Sage Hen Gap Fluted Point Site (35HA3548), Harney County, Oregon. Patrick O'Grady, Michael F. Rondeau, Scott P. Thomas, Craig E. Skinner, and Jennifer J. Thatcher. 31st Great Basin Anthropological Conference, Portland, Oregon.
- Lecture: Results of the 2007-2008 Archaeological Investigations at the Sage Hen Gap Fluted Point Site (35HA3548), Harney County, Oregon. Archaeological Society of Central Oregon, Bend, Oregon November 20, 2008
- Lecture: Double Happiness: Archaeology of 19th Century Chinese in Jacksonville, Oregon. OMSI Science Pub Series, Patrick O'Grady and Christopher Ruiz, Eugene, Oregon, February 12, 2009.
- Paper: The Archaeology of the Chinese Quarter in Jacksonville, Oregon. Chris Ruiz and Patrick O'Grady. 63rd Annual Northwest Anthropological Conference, Ellensburg, Washington, March 25, 2010.
- Chair: Crossing the Pleistocene Boundary, 63rd Northwest Anthropological Conference, Ellensburg, Washington. March 26, 2010.
- Lecture: Archaeological Investigations at Clovis Sites in Oregon. Osher Lifelong Learning Institute, Bend Oregon, April 21, 2010.
- Lecture: Double Happiness: Archaeology of 19th Century Chinese in Jacksonville, Oregon. Archaeology Society of Central Oregon, Eugene, Oregon, May 20, 2010.
- Chair: University of Oregon and Bureau of Land Management Collaborations on Late Pleistocene – Early Holocene Research in the Northern Great Basin of Oregon. 32nd Great Basin Anthropological Conference, Layton, Utah.
- Paper: Stemmed and Fluted Point Distributions at the Sheep Mountain Site, Harney County, Oregon. 32nd Great Basin Anthropological Conference, Layton, Utah.
- Paper: Archaeology, History, and Community along the Upper Sprague River on the former Klamath Indian Reservation, Beatty, Oregon. Thomas J. Connolly, Christopher L. Ruiz, Perry Chocktoot, Dennis L. Jenkins, and Patrick O'Grady. 32nd Great Basin Anthropological Conference, Layton, Utah.

Manuscripts

- 1996 O'Grady, Patrick
Faunal Analysis of the East Block, Locality III (35LK3035)
Manuscript on file, Oregon State Museum of Anthropology.
