
LESLIE DIANE LEVE

Professor and Associate Vice President for Research
College of Education 1215
University of Oregon
Eugene, OR 97403-1215

Email: leve@uoregon.edu

Phone: 541.346.9601

Webpage: <https://education.uoregon.edu/users/leslie-leve>

PROFESSIONAL BACKGROUND

Education

- 1995 University of Oregon, Ph.D. – Developmental Psychology
 Advisor: Beverly Fagot, Ph.D.
- 1991 University of Oregon, M.S. – Psychology
 Advisor: Beverly Fagot, Ph.D.
- 1990 University of California, Santa Cruz, B.A. – Psychology
 Advisor: Campbell Leaper, Ph.D.

Current Positions

- Associate Vice President for Research, University of Oregon (2017–present)
- Alumni Faculty Professorship, College of Education, University of Oregon (2017–present)
- Professor of Counseling Psychology and Human Services, University of Oregon (2013–present)
- Associate Director, Prevention Science Institute, University of Oregon (2013–present)
- Associate Program Director, Prevention Science graduate programs, College of Education, University of Oregon (2017–present)
- President, Society for Prevention Research (2017–present)
- Senior Fellow, Oregon Social Learning Center (2014–present)
- Visiting Professor, School of Psychology, University of Sussex, England, UK (2014–present)
- Affiliate Scientist, Pitt Parents and Children Laboratory, University of Pittsburgh, Department of Psychology (2004–present)

Past Positions

- 2016–2017 Associate Dean for Research and Faculty Development, College of Education,

University of Oregon

- 2016–2017 President Elect, Society for Prevention Research
- 2016–2017 Program Director, Prevention Science PhD program, College of Education, University of Oregon (2016–2017)
- 2010–2013 Science Director, Oregon Social Learning Center, Eugene, OR
- 2010–2011 Honorary Senior Research Fellow, Centre for Research on Children and Families, University of Otago, New Zealand
- 2008–2013 Senior Scientist, Oregon Social Learning Center, Eugene, OR
- 2008–2010 Associate Director, Oregon Social Learning Center, Eugene, OR
- 2004–2006 Associate Director, Oregon Social Learning Center, Eugene, OR
- 2003–2013 Senior Scientist, Center for Research to Practice, Eugene, OR
- 2003–2013 Courtesy Research Associate, University of Oregon, Department of Psychology
- 1998–2008 Research Scientist, Oregon Social Learning Center, Eugene, OR
- 1995–1998 Research Associate, Oregon Social Learning Center, Eugene, OR
- 1995–1996 Parent Trainer, Oregon Social Learning Center, Eugene, OR

Sabbatical Leave

- Fall 2009 Center for Research on Children and Families at the University of Otago, New Zealand

Awards and Honors

- 2017 Fund for Faculty Excellence Award, University of Oregon
- 2013 Number 8 top downloaded paper from *Child Development Perspectives*:
Tang, Y. Y., Yang, L., Leve, L. D., & Harold, G. T. (2012). Improving executive function and its neurobiological mechanisms through a mindfulness-based intervention: Advances within the field of developmental neuroscience. *Child Development Perspectives*, 6, 361–366. PMC: 4238887
- 2011 Prevention Science Award, Society for Prevention Research
- 1995 Society for Research in Child Development Travel Award
- 1993–1995 National Research Service Award, “*Prediction of Friendships from Parent-child Relations*” (MH010407)

Areas of Scholarship

Prevention Science
 Families in the Child Welfare System
 Juvenile Justice
 Girls/Gender Differences
 Adoptive Families
 Gene–Environment Interplay
 Child and Adolescent Development
 Longitudinal Research Studies

SCHOLARSHIP

I have authored or coauthored more than 140 peer-reviewed publications. *Asterisks denote a graduate student or postdoctoral scholar at the time of the work.

Refereed Journal Articles

149. *Hails, K. A., Shaw, D. S., Leve, L. D., Ganiban, J. M., Reiss, D., Natsuaki, M. N., & Neiderhiser, J. M. (in press). Interaction between adoptive mothers' and fathers' depressive symptoms in risk for children's emerging problem behavior. *Social Development*.
148. Marceau, K., *Abel, E., Duncan, R. J., Moore, P. J., Leve, L. D., Reiss, D., Shaw, D. S., Natsuaki, M. N., Neiderhiser, J. M., & Ganiban, J. M. (in press). Longitudinal associations of cortisol, sleep duration, and body mass index during childhood: An adoption study. *Obesity*.
147. Marceau, K., *Rolan, E., Leve, L. D., Ganiban, J. M., Reiss, D., Shaw, D. S., Natsuaki, M. N., Egger, H., & Neiderhiser, J. M. (in press). Parenting and prenatal risk as moderators of genetic influences on conduct problems during middle childhood. *Developmental Psychology*.
146. Natsuaki, M. N., Neiderhiser, J. M., Harold, G. T., Shaw, D. S., Reiss, D., & Leve, L. D. (in press). A sibling comparison study on rearing environment differences. *Developmental Psychology*.
145. *Sellers, R., *Smith, A. F., Leve, L. D., Nixon, E., Cane, T., Cassell, J. A., & Harold, G. T. (in press). Utilising genetically-informed research designs to better understand family processes and child development: Implications for adoption and foster-care focused interventions. *Adoption and Fostering*. NIHMS987627
144. Bridgett, D. J., Ganiban, J. M., Neiderhiser, J. M., Natsuaki, M. N., Shaw, D. S., Reiss, D., & Leve, L. D. (2018). Contributions of mother's and father's parenting to children's self-regulation: Evidence from an adoption study. *Developmental Science*, 21(6), e12692. doi: 10.1111/desc.12692. NIHMS965299
143. *Clark, M., Buchanan, R., *Kovensky, R., & Leve, L. D. (2018). Partner influences on young women's risky drug and sexual behavior. *Reproductive Health*, 15, 156. doi: 10.1186/s12978-018-0598-0. PMC: 6139176
142. *Clark, M., Buchanan, R., & Leve, L. D. (2018). Young women's perspectives of their adolescent treatment programs: A qualitative study. *International Journal of Environmental Research and Public Health*, 15(2), 373. doi:10.3390/ijerph15020373137. PMC5858442

141. Elliot, D. L., Leve, L. D., & Racer, K. H. (2018). Incorporating positive youth development into the therapeutic model for incarcerated young women. *Frontiers in Women's Health, 3*, 1-7. doi: 10.15761/FWH.1000135
140. *Hirano, K. A., Shanley, C., Garbacz, S. A., Rowe, D., A. & Lindstrom, L. L., & Leve, L. D. (2018). Validating a model of motivational factors influencing involvement for parents of transition-age youth with disabilities. *Remedial and Special Education, 39*, 15-26. doi: 10.1177/0741932517715913
139. Leve, L. D., Neiderhiser, J. M., Harold, G. T., Natsuaki, M. N., Bohannon, B. J. M., & Cresko, W. A. (2018). Naturalistic experimental designs as tools for understanding the role of genes and the environment in prevention research. *Prevention Science, 19*(1), 68–78. doi: 10.1007/s11121-017-0746-8 PMC: 5511771
138. Lipscomb, S., *Becker, D. R., Laurent, H., Neiderhiser, J. M., Shaw, D. S., Natsuaki, M. N., Reiss, D., Fisher, P. A., & Leve, L. D. (2018). Examining morning HPA axis activity as a moderator of hostile, over-reactive parenting on children's skills for success in school. *Infant and Child Development, 27*(4), e2083. doi: 10.1002/icd.2083
137. *Liu, C., Moore, G. A., Beekman, C., Pérez-Edgar, K. E., Leve, L. D., Shaw, D. S., Ganiban, J. M., Natsuaki, M. N., Reiss, D., & Neiderhiser, J. M. (2018). Developmental patterns of anger from infancy to middle childhood predict problem behaviors at age 8. *Developmental Psychology, 54*(11), 2090–2100. doi.org/10.1037/dev0000589
136. Massey, S. H., Mroczek, D. K., Reiss, D., Miller, E. S., Jakubowski, J. A., Graham, E. K., Shisler, S. M., McCallum, M., Huestis, M. A., Ganiban, J. M., Shaw, D. S., Leve, L. D., Eiden, R. D., Stroud, L. R., & Neiderhiser, J. M. (2018). Addictive drug-specific and sex-specific risks associated with co-use of marijuana and tobacco during pregnancy: Evidence from 3 recent developmental cohorts (2003–2015). *Neurotoxicology and Teratology, 68*, 97–106. doi: 10.1016/j.ntt.2018.06.002

Selected Reports and Community Outreach

The reports in this section are part of my efforts to share research knowledge with applied audiences to increase the translation of my research findings into practice settings.

6. Leve, L. & Smith, T. (July 11, 2017). *Rural poor need better access to healthy food*. Guest Viewpoint in *The Register-Guard*.

5. Leve, L. D. (June 12, 2017). Research Meets Radio. Invited guest on Jefferson Public Radio cUriOus segment. <http://ijpr.org/post/curious-research-meets-radio#stream/0>
4. Leve, L. D., & Chamberlain, P. C. (2012). *Risks, outcomes, and evidence-based interventions for girls in the U.S. juvenile justice system: Recommendations for next steps in research, intervention, and implementation*. Commissioned report submitted to the John D. and Catherine T. MacArthur Foundation.
3. *Martin, D. M., Leve, L. D., Natsuaki, M. N., Neiderhiser, J. M., & Ge, X. (2010). *Toward a greater understanding of openness: A report from the Early Growth and Development Study*. Report submitted to "Adoption Advocate," a publication of the National Council for Adoption.
2. Leve, L. D., Substance Abuse and Mental Health Services Administration (2007). *Promotion and prevention in children's mental health: Strengthening parenting and enhancing child resilience*. Report submitted to the State Appropriation Subcommittee on Labor, Health and Human Services Education and the House Appropriation Subcommittee on Labor, Health and Human Services Education.
1. Leve, L. D., & *Suski, A. (2003). *Open Adoption and Family Services: Survey Results*. This is a 73-page report on the data analysis and summary of results from a survey conducted by an adoption agency with birth and adoptive parents. The report was bound and distributed widely to agency employees, and report summaries were created to share with all clients, funders, and the media. In addition, the report summary was included on their web site.

Invited Presentations

42. Leve, L. D. (2017, May). *An alternative Approach to personalizing interventions: Findings from an adoption study*. Invited speaker at the Institute for Translational Research, University of Minnesota, Minneapolis, MN.
41. Leve, L. D. (2016, June). *Youth in foster care: Research, practice, and policy on the transition out of care*. Plenary speaker at the Prevention Needs for Vulnerable Populations of Youth session at the Society for Prevention Research Annual Meeting, San Francisco, CA.
40. Leve, L. D. (2016, April). *Juvenile justice girls: Risk pathways and outcomes from a randomized trial in Oregon*. Invited presentation at the Center for Child and Youth Policy, University of California, Berkeley, Berkeley, CA.
39. Leve, L. D. (2015, May). *Risk factors, outcomes, and effective interventions for girls in the juvenile justice system*. Distinguished Speaker at the Western Psychological Association 95th annual convention, Las Vegas, NV.
38. Leve, L. D. (2014, September). *Bridging "E" in intervention studies with "E" in behavioral genetic research*. Invited presentation at the Brain Research Foundation Symposium II, Chicago, IL.
37. Leve, L. D. (2014, May). *High-risk girls in high-risk settings: What have we learned? What's next?* Invited participant in discussion hour at the Society for Prevention Research 22nd annual meeting, Washington, DC.
36. Leve, L. D. (2013, October). *Adoption and foster care: Integrating developmental, practice, and policy objectives*. Invited presentation at the University of Sussex, Department of Psychology.

35. Leve, L. D. (2013, March). *The “E” in G–E interplay: What can we learn from adoption designs?* Invited presentation at the NICHD workshop on Nature & Nurture: Genetic and Environmental Influences on Children’s Responses to Adversity, Bethesda, MD.
34. Leve, L. D., & Neiderhiser, J. M. (2013, January). *Early Growth & Development Adoption Study (EGDS): Unique insights into developmental theory and practice.* Invited presentation at the National Institute of Child Health and Human Development. Bethesda, MD.
33. Leve, L. D. (2012, September). *Evidence-based interventions for foster children: What is the evidence for their efficacy in communities of color?* Invited presentation at John D. and Katherine T. MacArthur Foundation Evidence-Based Practices & Communities of Color Consultative Meeting, Chicago, IL.
32. Leve, L. D., Fisher, P. A., & Chamberlain, P. C. (2012, August). *Parent management training interventions for foster children: Can they be effective for adopted youth?* Invited presentation at the Substance Abuse and Mental Health Services Administration Domestic and International Adoption: Strategies to improve behavioral health outcomes for youth and their families conference, Rockville, MD.
31. Leve, L. D. (2011, September). *Predictors and outcome of depressive symptom trajectories in adolescent girls: Evidence from foster care, juvenile justice, and community samples.* Invited presentation at the Netherlands Institute of Mental Health and Addiction’s Shaping the Research Agenda for Depression Prevention Conference, Utrecht, Netherlands.
30. Leve, L. D. (2011, July). *A parent- and youth-support intervention for adolescents in foster care.* Invited presentation at Portland State University’s Summer Symposium on Mentoring Research, Portland, OR.
29. Leve, L. D. (2011, April). Genes: What do we know and how can that help us help children? In J. Bruce (Chair), *Biology and families: Nothing carved in stone.* Invited presentation at the Oregon Social Learning Center’s Biennial Spring Conference, Eugene, OR.
28. Leve, L. D. (2011, April). *The role of birth and adoptive parents on their child’s development: Evidence from a nationwide adoption study.* Invited presentation at the Northwest Adoptive Families Association, Inc. Conference on Adoption, Portland, OR.
27. Leve, L. D. (2011, March). *Depression in adolescent girls: Outcomes and interventions in the US and UK.* Invited presentation at the 35th High School, Beijing.
26. Leve, L. D. (2011, March). *Gene–environment interplay in the development of behavior problems during infancy and toddlerhood: Evidence from a prospective adoption study.* Invited presentation at the Institute of Psychology, Chinese Academy of Sciences, Beijing, China.
25. Leve, L. D. (2011, February). *Integrating behavioral genetic and prevention science research to improve understanding of the development and treatment of depressive symptoms in childhood and adolescence.* Invited presentation at the University of Leicester, Invited Speaker Psychology Series, Leicester, UK.
24. Leve, L. D. (2010, June). *Environmental and genetic mechanisms of risk on executive function during early childhood.* Invited presentation at the NICHD Workshop on Executive Functions in Preschool Children: Current Knowledge and Research Opportunities, Bethesda, MD.

23. Neiderhiser, J. M., & Leve, L. D. (2010, March). *Traveling with Xiaojia Ge: Adventures and misadventures in understanding gene–environment interplay*. Invited presentation at the Society for Research on Adolescence Biennial Meeting, Philadelphia, PA.
22. Leve, L. D. (2010, March). *Supporting families and children in the context of inter-parental conflict*. Invited presentation at the Center for Research on Children & Families, Dunedin, NZ.
21. *Guerrero, D., *Rhoades, K., & Leve, L. D. (2009, November). *Openness in adoption, adjustment and support: Findings from the Early Growth and Development Study*. Invited presentation at the 8th annual conference on Adoption, Eugene, OR.
20. Leve, L. D., Harold, G. T., Ge, X., Neiderhiser, J. M., Patterson, G. (2009, June). *Refining intervention targets in family-based research: Lessons from quantitative behavioral genetics*. Invited presentation at the National Institute on Aging Genetic Approaches to Personalized Behavioral Interventions Conference, Bethesda, MD.
19. Leve, L. D., Neiderhiser, J. M., Dick, D. M., Riley, B., & Latendresse, S. (2009, May). *How to add genetics to your studies*. Invited preconference workshop sponsored by the Society for Prevention Research as part of the SPR 17th Annual Meeting.
18. Leve, L. D., & Ganiban, J. M. (2009, February). *Adjustment, openness in adoption, and family services: Findings from The Early Growth and Development Study*. Invited presentation at the 2nd Annual Adoption Caseworker Forum, Tampa, FL.
17. Chamberlain, P., Leve, L. D., & Saldana, L. (2008, October). *Family versus group-based treatment for girls with chronic delinquency; characteristics, processes, & outcomes*. Invited presentation at the annual meeting of the American Academy of Child and Adolescent Psychiatry, Chicago, IL.
16. Insel, T., Volkow, N., Leve, L. D., & Anguilar-Gaxiola, S. (2008, June). *Breakthroughs in genetics and neuroscience and what they mean for prevention*. Invited roundtable discussion at the Mental Health America, Inaugural Promotion and Prevention Summit, Washington, DC.
15. Leve, L. D. (2008, May). The role of the environment and development in gene by environment interactions. In R. Catalano & K. Etz (Chairs), *Translating research on genotype–environment interplay to inform prevention science: Measurement of the environment*. Invited plenary session at the Society for Prevention Research, San Francisco, CA.
14. Leve, L. D. (2008, April). *Genetics, families, and social development: The important contributions of adoptive families*. Invited half-day workshop at Spence-Chapin adoption agency, New York, NY.
13. Leve, L. D. (2008, March). *Girls in the juvenile justice system: Developmental histories, Multidimensional Treatment Foster Care intervention, and outcomes*. Invited presentation at the Advances in Developmental Psychopathology in Girls Seminar Series, Pittsburgh, PA.
12. Leve, L. D., *Kerr, D. C. R., & Chamberlain, P. (2008, March). Treatment and outcomes for chronically delinquent adolescent girls with co-occurring drug use problems. In L. Saldana (Chair), *Complex solutions for complex problems: Integrating treatments to prevent severe substance abuse in high-risk populations*. Invited presentation at the Joint Meeting on Adolescent Treatment Effectiveness, Washington, DC.

11. Leve, L. D. (2007, May). *Underlying mechanisms in liability for dysregulatory behaviors*. Invited preconference workshop sponsored by the Society for Prevention Research as part of the SPR Biology Task Force.
10. Leve, L. D. (2006, August). *Preventive interventions with foster care youth*. Invited presentation at the Prevention and Early Intervention In-Service Training, Mental Health Services Oversight and Accountability Commission, Burlingame, CA.
9. Leve, L. D. (2006, June). *The utility of Gene × Environment paradigm for research in pediatric populations: Comments from a preventive and treatment intervention perspective*. Invited presentation at the NIMH-sponsored workshop, Gene × Environment Interactions and Developmental Psychopathology: Research Challenges and Opportunities, Washington, DC.
8. Leve, L. D. (2005, October). *Using developmental models to inform services*. Invited presentation at the NIDA-sponsored workshop, Children in Foster Care: Bidirectional Influences of Drug Abuse and Child Abuse and Neglect meeting, Bethesda, MD.
7. Leve, L. D., & Chamberlain, P. (2004, November). *Multidimensional Treatment Foster Care*. Invited presentation at the Consensus Workshop, Pharmacologic Studies of Impulsive Aggression in Children and Youth, a joint conference sponsored by the Center for the Advancement of Children's Mental Health at Columbia University and Best Practice Project Management, Inc., with the Participation of the American Academy of Child and Adolescent Psychiatry, Baltimore, MD.
6. Chamberlain, P., & Leve, L. D. (2004, July). *Drug abuse treatment of delinquent adolescent girls*. Invited presentation at the annual meeting of the American Psychological Association, Honolulu, HI.
5. Chamberlain, P., & Leve, L. D. (2004, June). *Internalizing behavior in girls with chronic delinquency: Risk characteristics and intervention outcomes*. Invited presentation at the NIMH-sponsored workshop, The Prevention of Depression in Children and Adolescents, Rockville, MD.
4. Leve, L. D. (2004, April). *Gender and socioemotional adjustment*. Invited chair of discussion hour at the annual Gender Development Research Conference, San Francisco, CA.
3. Leve, L. D. (2003, October). *Mechanisms of gene–environment interaction in toddler development: Psychosocial targets for preventing adverse genetic influences?* Invited presentation to the National Institute of Child Health and Human Development, Washington, DC.
2. Leve, L. D. (1997, August). *Unto the next generation: Behavior genetics*. Invited presentation at the 1st annual meeting of the Origins and Prevention of Aggression, Eugene, OR.
1. Leve, L. D., *Lemery, K., & Neiderhiser, J. M. (1996). *Behavior genetic approaches to studying child development*. Invited presentation at the Infancy Conference, Eugene, OR.

International Conference Presentations

69. *Ahmadzadeh, Y. I., Eley, T. C., Neiderhiser, J. M., Leve, L. D., Shaw, D. S., Reiss, D., Natsuaki, M. N., & McAdams, T. A. (2017, June). *Associations between parent and child anxiety are bidirectional: Evidence from mothers and fathers*. Poster presented at the 45th annual meeting of the Behavior Genetics Association, Oslo, Norway.

68. *Borriello, G. A., *Ramos, A. M., Leve, L. D., Ganiban, J. M., Natsuaki, M. N., Reiss, D., Shaw, D. S., & Neiderhiser, J. M. (2017, June). *Investigating the role of parenting behaviors in children's mathematics ability*. Poster presented at the 45th annual meeting of the Behavior Genetics Association, Oslo, Norway.
67. *Liu, C., Leve, L. D., Shaw, D. S., Ganiban, J. M., Reiss, D., & Neiderhiser, J. M. (2017, June). *Examining the effects of genetic, prenatal illicit drug use, and postnatal rearing environment on child school age outcomes*. Symposium presented at the 45th annual meeting of the Behavior Genetics Association, Oslo, Norway.
66. Rhoades, K. A., Leve, L. D., Natsuaki, M. N., Neiderhiser, J. M., Shaw, D. S., Ganiban, J. M., & Reiss, D. (2017, June). *Sleep problems from 18 months to 6 years: A mechanism in the intergenerational transmission of psychopathology?* Poster presented at the 45th annual meeting of the Behavior Genetics Association, Oslo, Norway.
65. *Shewark, E. A., *Ramos, A., Ganiban, J. M., Shaw, D. S., Reiss, D., Natsuaki, M. N., Leve, L. D., & Neiderhiser, J. M. (2017, June). *The associations among adoptive parent negative parenting, birth mother negative emotionality, and child negative emotionality*. Symposium presented at the 45th annual meeting of the Behavior Genetics Association, Oslo, Norway.
64. Hyde, L. W., Trentacosta, T. J., Waller, R., Shaw, D. S., Neiderhiser, J. M., Ganiban, J. M., Natsuaki, M. N., Reiss, D., & Leve, L. D. (2017, May). *The role of parenting and child evocative effects on the development of child CU behaviors*. Oral presentation at the biennial meeting of the Society for the Scientific Study of Psychopathy, Antwerp, Belgium.
63. Waller, R., Shaw, D. S., Trentacosta, T. J., Neiderhiser, J. M., Reiss, D., Ganiban, J. M., Leve, L. D., & Hyde, L. W. (2017, May). *The development of callous-unemotional behaviors in early childhood: A test of the fearlessness hypothesis in two independent samples*. Oral presentation at the biennial meeting of the Society for the Scientific Study of Psychopathy, Antwerp, Belgium.
62. Leve, L. D., Cresko, W. A., Morar, N., & Bohannon, B. J. M. (2016, June). *Examining skin and gut microbiome profiles in a sample of siblings reared together vs. apart: Design and feasibility considerations*. Presented at the 44rd annual meeting of the Behavior Genetics Association, Brisbane, Australia.
61. Guyer, S., Leve, L. D., Neiderhiser, J. M., Ganiban, J. M., Shaw, D. S., Natsuaki, M. N., & Reiss, D. (2016, January). *Addressing adoption process questions in a U.S. infant adoption sample: A call for collaborators*. Presented at the Fifth International Conference on Adoption Research, Auckland, New Zealand.
60. Leve, L. D., Neiderhiser, J. M., Natsuaki, M. N., Shaw, D. S., Harold, G. T., & Reiss, D. (2016, January). *Child competence, child behavior problems, and parenting within adoptive families and birth families*. Presented at the Fifth International Conference on Adoption Research, Auckland, New Zealand.
59. *Marceau, K., Knopik, V. S., Reiss, D., Shaw, D. S., Natsuaki, M. N., Fisher, P. A., Leve, L. D., & Neiderhiser, J. M. (2014, June). *Drug and tobacco use during pregnancy transmits genetic influences on developmental risk for substance use*. Presented at the 76th annual meeting of the College on Problems of Drug Dependence, San Juan, Puerto Rico.
58. *Beekman, C., Neiderhiser, J. M., Leve, L. D., Natsuaki, M. N., Shaw, D. S., & Ganiban, J. M. (2013, July). *Stability in profiles of infant temperament: Associations with reading achievement and specific genetic and environmental influences*. Presented at the 43rd annual meeting of the Behavior Genetics Association, Marseille, France.

57. *Brant, A. M., Neiderhiser, J. M., Reiss, D., Natsuaki, M. N., Shaw, D. S., & Leve, L. D. (2013, July). *Investigating the reaction range of children's cognitive ability*. Presented at the 43rd annual meeting of the Behavior Genetics Association, Marseille, France.
56. Gaysina, D., Neiderhiser, J. M., Leve, L. D., Reiss, D., Ganiban, J. M., Shaw, D. S., Natsuaki, M. N., & Harold, G. T. (2013, July). *Changes in children's weight status across preschool: Genetic, prenatal, and environmental influences*. Presented at the 43rd annual meeting of the Behavior Genetics Association, Marseille, France.
55. Leve, L. D., Harold, G. T., Ganiban, J. M., Natsuaki, M. N., Shaw, D. S., Reiss, D., & Neiderhiser, J. M. (2013, July). *Adoptive mothers and fathers: Changes in mental health and marital quality in the first 6 years post-placement*. Presented at the fourth International Conference on Adoption Research, Bilbao, Spain.
54. Leve, L. D., Harold, G. T., Natsuaki, M. N., Shaw, D. S., Reiss, D., Whitesel, A. L., & Neiderhiser, J. M. (2013, July). *Adoptive and birth parent ratings of openness in the first 6 years post-placement*. Presented at the fourth International Conference on Adoption Research, Bilbao, Spain.
53. Leve, L. D., Neiderhiser, J. M., Harold, G. T., Shaw, D. S., Natsuaki, M. N., Ganiban, J. M., & Reiss, D. (2013, July). *Effects of adoptive parenting and biological parent characteristics across the transition to school entry*. Presented at the 43rd annual meeting of the Behavior Genetics Association, Marseille, France.
52. Natsuaki, M. N., Neiderhiser, J. M., Shaw, D. S., Harold, G. T., Reiss, D., & Leve, L. D. (2013, July). *Siblings reared apart: Differences in parenting practices between birth and adoptive parents' homes*. Poster presented at the fourth International Conference on Adoption Research, Bilbao, Spain.
51. Neiderhiser, J. M., *Beekman, C., Leve, L. D., Shaw, D. S., Ganiban, J. M., & Reiss, D. (2013, July). *Links between birth parent substance use and toddler behavior*. Presented at the 43rd annual meeting of the Behavior Genetics Association, Marseille, France.
50. Neiderhiser, J. M., Beekman, C., Leve, L. D., Shaw, D. S., Ganiban, J. M., & Reiss, D. (2013, July). *Links between birth parent substance use and toddler behavior*. Presented at the 43rd annual meeting of the Behavior Genetics Association, Marseille, France.
49. *Rhoades, K. A., Leve, L. D., Neiderhiser, J. M., Harold, G. T., Shaw, D. S., Natsuaki, M. N., Ganiban, J. M., & Reiss, D. (2013, July). *Stressful family environments during infancy and child sleep trajectories from 18 months to 6 years: Associations with biological parent sleep problems and internalizing*. Presented at the 43rd annual meeting of the Behavior Genetics Association, Marseille, France.
48. Whitesel, A. L., Ganiban, J. M., Leve, L. D., Shaw, D. S., Natsuaki, M. N., Reiss, D., & Neiderhiser, J. M. (2013, July). *Birth parents in adoption: Characteristics influencing healthy adjustment post adoption*. Presented at the fourth International Conference on Adoption Research, Bilbao, Spain.
47. Fearon, P., Leve, L. D., Neiderhiser, J. M., Shaw, D. S., Scaramella, L., Conger, R., & Reiss, D. (2012, October). *Child-evoked maternal negativity from 9 to 27 months: An early social expression of genetic risk for adult internalizing psychiatric disorders*. Paper presented at the Life History Research Society meeting, Surrey, UK.
46. Harold, G. T., Leve, L. D., *Elam, K. K., Thapar, A., Neiderhiser, J. M., Natsuaki, M. N., Shaw, D. S., & Reiss, D. (2012, October). *Interparental conflict, hostile parenting, and children's externalizing*

- problems: Examining the role of passive and evocative gene–environment correlation.* Paper presented at the Life History Research Society meeting, Surrey, UK.
45. Leve, L. D., Neiderhiser, J. M., Harold, G. T., Thapar, A., Natsuaki, M. N., Shaw, D. S., Barrett, D., & Reiss, D. (2012, October). *Intergenerational transmission of risk and inhibitory control deficits: The role of birth parent inhibitory control and adoptive mother's parenting in a sample of children adopted at birth.* Paper presented at the Life History Research Society meeting, Surrey, UK.
 44. Neiderhiser, J. M., Trentacosta, C., Wakschlag, L. S., Leve, L. D., Shaw, D. S., Ganiban, J. M., Natsuaki, M. N., Scaramella, L. V., & Reiss, D. (2012, October). *The impact of smoking during pregnancy on the trajectory of externalizing behavior from 18 to 54 months: Moderating effects of positive parenting and marital hostility in an adoption sample.* Paper presented at the Life History Research Society meeting, Surrey, UK.
 43. *Beekman, C., Neiderhiser, J. M., Buss, K., Ganiban, J. M., Scaramella, L., Leve, L. D., Shaw, D. S., & Reiss, D. (2012, June). *Latent profiles of child temperament: Characterization, continuity, and genetic and environmental influences.* Paper presented at the 42nd annual meeting of the Behavior Genetics Association, Edinburgh, UK.
 42. *Elam, K., Harold, G. T., Neiderhiser, J. M., Natsuaki, M. N., Reiss, D., Shaw, D. S., & Leve, L. D. (2012, June). *Sensation seeking and child responsiveness: Examining evocative genotype–environment correlations with parental warmth and hostility.* Paper presented at the 42nd annual meeting of the Behavior Genetics Association, Edinburgh, UK.
 41. Ganiban, J. M., *Zappaterra, L., Simmens, S., Natsuaki, M. N., Neiderhiser, J. M., Reiss, D., Shaw, D. S., & Leve, L. (2012, June). *Genetic, prenatal, and environmental contributions to children's weight trajectories from infancy to preschool.* Paper presented at the 42nd annual meeting of the Behavior Genetics Association, Edinburgh, UK.
 40. Gaysina, D., Fergusson, D., Leve, L. D., Horwood, J., Neiderhiser, J. M., Reiss, D., Shaw, D. S., Natsuaki, M. N., Elam, K., Thapar, A., Langley, J., & Harold, G. T. (2012, June). *Maternal smoking during pregnancy and offspring conduct problems: the evidence for the association from three independent studies.* Paper presented at the 42nd annual meeting of the Behavior Genetics Association, Edinburgh, UK.
 39. Leve, L. D., Neiderhiser, J. M., Harold, G. T., Thapar, A., Natsuaki, M. N., Shaw, D. S., Barrett, D., & Reiss, D. (2012, June). *Genetic and environmental influences on children's inhibitory control: An adoption study.* Paper presented at the 42nd annual meeting of the Behavior Genetics Association, Edinburgh, UK.
 38. Neiderhiser, J. M., *Beekman, C., Harold, G. T., Leve, L. D., Shaw, D. S., Ganiban, J. M., & Reiss, D. (2012, June). *Pregnancy illegal drug use and toddler emotional reactivity: Genetic and parenting influences and their interaction.* Paper presented at the 42nd annual meeting of the Behavior Genetics Association, Edinburgh, UK.
 37. *Rhoades, K., Leve, L. D., Harold, G. T., Mannering, A., Neiderhiser, J. M., Shaw, D. S., Natsuaki, M. N., & Reiss, D. (2012, June). *Marital hostility and child sleep problems in early childhood: Genetic moderation and indirect associations via hostile parenting.* Paper presented at the 42nd annual meeting of the Behavior Genetics Association, Edinburgh, UK.
 36. Trentacosta, C., Neiderhiser, J. M., Reiss, D., Shaw, D. S., Natsuaki, M. N., & Leve, L. D. (2012, June). *Examining the interplay of birth mothers' and adoptive parents' antisocial behavior in predicting growth*

- in externalizing problems during early childhood.* Paper presented at the 42nd annual meeting of the Behavior Genetics Association, Edinburgh, UK.
35. Harold, G. T., Kerr, D., Van Ryzin, M. J., *Rhoades, K., & Leve, L. D. (2012, March). *Depressive symptom trajectories among girls in the juvenile justice system: Findings from an RCT of Multidimensional Treatment Foster Care.* Paper presented at the SRA biennial meeting, Vancouver, BC, Canada.
 34. *Martin, D., Neiderhiser, J. M., Leve, L. D., Shaw, D. S., Scaramella, L. V., & Reiss, D. (2012, March). *Openness in adoption across time as a function of birth mother age.* Poster presented at the SRA biennial meeting, Vancouver, BC, Canada.
 33. *Sontag-Padilla, L., Mendle, J., Van Ryzin, M. J., Natsuaki, M. N., & Leve, L. D. (2012, March). *Pubertal development and internalizing symptoms among girls in foster care.* Paper presented at the Society for Research on Adolescence biennial meeting, Vancouver, BC, Canada.
 32. Elam, K., *Rhoades, K. A., Leve, L. D., & Harold, G. T. (2011, April). *Trajectories of adolescent internalizing and externalizing problems: Direct and indirect associations with interparental conflict.* Poster presented at the SRCD biennial meeting, Montreal, Quebec, Canada.
 31. Ganiban, J. M., Leve, L. D., Neiderhiser, J. M., Shaw, D. S., & Reiss, D. (2011, April). *Interparental conflict and infants' emergent negative emotionality.* Poster presented at the SRCD biennial meeting, Montreal, Quebec, Canada.
 30. *Hajal, N. J., Neiderhiser, J. M., Shaw, D. S., Moore, G. A., Leve, L. D., & Reiss, D. (2011, April). *Evocative effects on parenting over time: Similarities and differences between adoptive mothers and fathers.* Paper presented at the SRCD biennial meeting, Montreal, Quebec, Canada.
 29. *Kerr, D., *Feng, X., Leve, L. D., Neiderhiser, J. M., Shaw, D. S., & Reiss, D. (2011, April). *Specificity of genetic and environmental influences on internalizing symptoms in early childhood.* Paper presented at the SRCD biennial meeting, Montreal, Quebec, Canada.
 28. Natsuaki, M. N., Leve, L. D., Neiderhiser, J. M., Shaw, D. S., Scaramella, L. V., Ge, X., & Reiss, D. (2011, April). *Intergenerational transmission of social anxiety: Genes, environment, and the development of socially anxious behavior.* Paper presented at the SRCD biennial meeting, Montreal, Quebec, Canada.
 27. Neiderhiser, J. M., *Beekman, C., *Hajal, N. J., Leve, L. D., Shaw, D. S., Ganiban, J. M., & Reiss, D. (2011, April). *Genes, drugs and toddler behavior problems: Using an adoption design to disentangle parental exposure from genetic effects.* Paper presented at the SRCD biennial meeting, Montreal, Quebec, Canada.
 26. *Rhoades, K. A., Mannering, A. M., Leve, L. D., Harold, G. T., Neiderhiser, J. M., Shaw, D. S., Natsuaki, M. N., & Reiss, D. (2011, April). *Marital instability and child sleep: Mediation via maternal warmth and the moderating role of children's genetic background.* Poster presented at the SRCD biennial meeting, Montreal, Quebec, Canada.
 25. Stover, C. S., Leve, L. D., Shaw, D. S., Neiderhiser, J. M., & Reiss, D. (2011, April). *Associations of marital hostility, parenting hostility and toddler aggression.* Paper presented at the SRCD biennial meeting, Montreal, Canada.

24. *Horwitz, B., *Pemberton, C. K., Neiderhiser, J. M., Leve, L. D., Shaw, D. S., & Reiss, D. (2011, March). *Spouses' influence on partner's depressive symptoms via marital warmth: The moderating role of child fussiness*. Paper presented at the SRCD biennial meeting, Montreal, Quebec, Canada.
23. Kim, H. K., Pears, K. C., Leve, L. D., Chamberlain, P., & Smith, D. (2011, March). *Intervention prior to middle school to prevent risky sexual behavior among girls in foster care: Results from 36-month follow-up*. Paper presented at the SRCD biennial meeting, Montreal, Quebec, Canada.
22. Leve, L. D., Chamberlain, P., & Kerr, D. C. R. (2011, March). *Pregnancy outcomes for girls referred to Multidimensional Treatment Foster Care*. Paper presented at the SRCD biennial meeting, Montreal, Quebec, Canada.
21. *Pemberton, C. K., Neiderhiser, J. M., Leve, L. D., Natsuaki, M. N., Shaw, D. S., & Reiss, D. (2011, March). *Influence of parental depressive symptoms on adopted toddlers behaviors: An emerging cascade of genetic and environmental effects*. Paper presented at the SRCD biennial meeting, Montreal, Quebec, Canada.
20. *Rhoades, K. A., Leve, L. D., Harold, G. T., Neiderhiser, J. M., Shaw, D. S., & Reiss, D. (2011, March). *Longitudinal relations among marital hostility, harsh parenting, parental depression and child anger in an adoption sample*. Paper presented at the SRCD biennial meeting, Montreal, Quebec, Canada.
19. Leve, L. D., Ehrensaft, M. K., & Cohen, P. (2010, October). A prospective study of associations between childhood maltreatment and substance use in females with severe delinquency histories. In M. K. Ehrensaft (Chair), *Adult outcomes of child maltreatment and partner violence: Prospective studies of psychopathology and family process*. Presented at the Life History Research Society meeting, Montreal, Quebec, Canada.
18. Leve, L. D., *Rhoades, K., Harold, G. T., Neiderhiser, J. M., & Reiss, D. (2010, July). The Early Growth and Development Study: Identifying early mechanisms of gene–environment interaction through the adoption design. In L. D. Leve (Chair), *Increasing the understanding of environmental and genetic influences on development: Three longitudinal studies of adoptive families*. Presented at the International Conference on Adoption Research-III, Leiden, Netherlands.
17. *Whitesel, A. L., Leve, L. D., Neiderhiser, J. M., & Reiss, D. (2010, July). Birth parents in adoption: The biological element to understanding gene–environment interaction. In L. D. Leve (Chair), *Increasing the understanding of environmental and genetic influences on development: Three longitudinal studies of adoptive families*. Symposium presented at the International Conference on Adoption Research-III, Leiden, Netherlands.
16. Leve, L. D., *Rhoades, K., Harold, G. T., Neiderhiser, J. M., Reid, J., Scaramella, L. V., Shaw, D. S., & Reiss, D. (2010, June). *Toddlers' aversive behavior toward their mothers: Authoritative parenting improves outcomes for children with high genetic risk for internalizing problems*. Paper presented at the Behavior Genetics Association 40th annual meeting Behavior, Seoul, South Korea.
15. Natsuaki, M. N., Leve, L. D., Neiderhiser, J. M., Shaw, D. S., Scaramella, L. V., Conger, R. D., Reid, J., & Reiss, D. (2010, June). *Pathways from a worried mother to a fearful child: The roles of maternal anxiety and responsive environment*. Presented at the Behavior Genetics Association 40th annual meeting, Seoul, South Korea.
14. Leve, L. D., (2009, November). *Translating research on gene-environment interplay to inform prevention science: Measurement of the environment*. Presented at the Genetics Otago Postgraduate Symposium, Dunedin, New Zealand.

13. Schaughency, E., Leve, L. D., & Harold, G. T. (2009, November). *Building the infrastructure to support theory & research for practice and into practice: Models and possibilities for New Zealand*. Second Educational Psychology Forum, Wellington, New Zealand.
12. Leve, L. D. (2009, October). *Girls in the juvenile justice system: Developmental histories, Multidimensional Treatment Foster Care intervention, and outcomes*. Presented at the University of Otago Developmental Research Seminar Series, Dunedin, New Zealand.
11. Leve, L. D., Neiderhiser, J. M., Ge, X., & Reiss, D. (2008, July). Studying psychosocial effects on development using genetically informed data. In M. N. Natsuaki & X. Ge (Chairs), *Studying psychosocial effects on development using genetically informed data*. Symposium conducted at the biennial meeting of the International Society for the Study of Behavioural Development, Würzburg, Germany.
10. Leve, L. D., Neiderhiser, J. M., Scaramella, L. V., Ge, X., Shaw, D. S., Conger, R. D., Reid, J. B., & Reiss, D. (2007, June). The Early Growth and Development Project: Disentangling environmental effects through a prospective adoption design. In J. M. Neiderhiser (Chair), *The use of adoption designs to understand the effects of the environment*. Symposium conducted at the annual meeting of the Behavior Genetics Association, Amsterdam, Netherlands.
9. Neiderhiser, J. M., Leve, L. D., Ge, X., Scaramella, L. V., Reid, J. B., Shaw, D. S., & Reiss, D. (2007, June). The impact of prenatal drug exposure on toddler behavior: Distinguishing genetic effects from exposure using an adoption design. In V. S. Knopik & B. D'Onofrio (Chairs), *Prenatal drug exposure: Effects on neuropsychological outcomes*. Symposium conducted at the annual meeting of the Behavior Genetics Association, Amsterdam, Netherlands.
8. Scaramella, L. V., Conger, R., Leve, L. D., Neiderhiser, J. M., Ge, X., & Reiss, D. (2007, June). *Genetic influences and environmental moderation of infant temperament: An adoption study*. Poster presented at the annual meeting of the Behavior Genetics Association, Amsterdam, Netherlands.
7. Leve, L. D., Chamberlain, P., & Fisher, P. A. (2006, July). *Improving child outcomes with Multidimensional Treatment Foster Care*. Poster presented at the International Conference on Adoption Research, Norwich, UK.
6. *Whitesel, A., Leve, L. D., & Neiderhiser, J. M. (2006, July). *Strategies for successful researcher–adoption agency partnerships*. Workshop presented at the International Conference on Adoption Research, Norwich, UK.
5. Scaramella, L. V., Leve, L. D., Conger, R., & Shaw, D. S. (2004, May). The Early Growth and Development Study: An effort to disentangle the complex interplay of genes and the environment to inform intervention. In D. Reiss (Chair), *Identifying genotype–environment correlation and interaction to define targets for preventive intervention*. Symposium conducted at the annual meeting of the Society for Prevention Research, Quebec City, Canada.
4. *Bullock, B. M., Deater-Deckard, K., & Leve, L. D. (2002, August). Twin deviant peer association and problem behaviour: Genetic and environmental influences—methodological considerations. In J. Kiesner & M. Kerr (Chairs), *Factors associated with movement into a deviant peer group: A cross-cultural perspective*. Symposium presented at the biennial meeting of the European Society for Research on Adolescence, Oxford, England.

3. *Bullock, B. M., Deater-Deckard, K., & Leve, L. D. (2002, August). *Peer deviance and the etiology of problem behavior: Genetic and environmental influences*. Poster presented at the annual meeting of the International Society for the Study of Behavioral Development, Ottawa, Canada.
2. Eddy, J. M., Leve, L. D., & Fagot, B. I. (1996, August). *Sex differences in antisocial behavior during middle childhood*. Paper presented at the 14th biennial meeting of the International Society for the Study of Behavioural Development, Quebec City, Canada.
1. Leve, L. D., & Fagot, B. I. (1996, August). *Prediction of boys and girls peer relations from earlier parent-child interactions*. Poster symposium presented at the 14th biennial meeting of the International Society for the Study of Behavioural Development, Quebec City, Canada.

National Presentations

179. *Bray, B., Moore, G., *Liu, C., Roben, C., Leve, L. D., Shaw, D. S., Ganiban, J. M., Reiss, D., Natsuaki, M. N., & Neiderhiser, J. M. (2019, March). *Inherited and environmental moderators of mother-child behavioral contingency and contingent negativity at 27 months*. Paper presented at the biennial meeting of the Society for Research on Child Development, Baltimore, MD.
178. *Cioffi, C., Leve, L. D., *Griffin, A., Natsuaki, M. N., Shaw, D. S., Ganiban, J. M., Reiss, D., & Neiderhiser, J. M. (2019, March). *Using an adoption design to examine genetic, prenatal, and temperament influences on language and executive functions*. Paper presented at the biennial meeting of the Society for Research on Child Development, Baltimore, MD.
177. *Griffin, A., Leve, L. D., Shaw, D. S., Reiss, D., Ganiban, J. M., Natsuaki, M. N., & Neiderhiser, J. M. (2019, March). *Genetic and environmental influences on parent and peer relationships fostering school readiness*. Paper presented at the biennial meeting of the Society for Research on Child Development, Baltimore, MD.
176. *Horn, S., Leve, L. D., Levitt, P., & Fisher, P. A. (2019, March). *Oxidative stress and early life adversity: A pilot study in high-risk adolescent females*. Paper presented at the biennial meeting of the Society for Research on Child Development, Baltimore, MD.
175. *Liu, C., Moore, G., Roben, C., Leve, L. D., Shaw, D. S., Ganiban, J. M., Reiss, D., Natsuaki, M. N., & Neiderhiser, J. M. (2019, March). *Toddlers' responses to arm restraint: Anger reactivity and regulation*. Paper presented at the biennial meeting of the Society for Research on Child Development, Baltimore, MD.
174. *Sellers, R., Harold, G., Smith, A., Neiderhiser, J. M., Reiss, D., Shaw, D. S., Natsuaki, M. N., & Leve, L. D. (2019, March). *Disentangling nature from nurture in associations between parent-child relationships, ADHD symptoms, and early academic attainment*. Paper presented at the biennial meeting of the Society for Research on Child Development, Baltimore, MD.
173. *Stepanyan, S., Natsuaki, M. N., Dimler, L., Neiderhiser, J. M., Shaw, D. S., Reiss, D., & Leve, L. D. (2019, March). *Parental monitoring mediates the puberty-externalizing problems link: Findings from an adoption study*. Poster presented at the biennial meeting of the Society for Research on Child Development, Baltimore, MD.
172. *Wang, J., Natsuaki, M. N., Neiderhiser, J. M., Shaw, D. S., Reiss, D., & Leve, L. D. (2019, March). *Infertility and parenting daily hassles*. Poster presented at the biennial meeting of the Society for Research on Child Development, Baltimore, MD.

171. Budd, E., Mallari, F. A., Mitchell, D. C., Leve, L. D., Neiderhiser, J. M., Shaw, D. S., Reiss, D., Natsuaki, M. N., & Ganiban, J. M. (2018, November). *Heritable and parenting influences on children's vigorous-intensity physical activity*. Paper presented at the APHA 2018 Annual Meeting & Expo, San Diego, CA.
170. Leve, L. D., Olds, D. L., Goulter, N., & Reider, E. E. (2018, August). *Do prevention interventions delivered early in life prevent later psychosis behaviors?* Symposium presented at the annual meeting of the American Psychological Association, San Francisco, CA.
169. *Broderick, A. V., Neiderhiser, J. M., Natsuaki, M. N., Ganiban, J. M., Reiss, D., & Leve, L. D. (2018, June). *Early childhood internalizing symptoms and hostile parenting are distinct pathways to middle childhood anxiety symptoms independent of inherited vulnerability for psychopathology*. Paper presented at the 2018 Behavioral Genetics Association Annual Meeting, Boston, MA.
168. *Griffin, A. M., *Ramos, A. M., *Willems, Y. E., Shaw, D. S., Leve, L. D., Reiss, D., Ganiban, J. M., Natsuaki, M. N., & Neiderhiser, J. M. (2018, June). *The influence of positive emotionality, social competence, and parental warmth on the development of internalizing and externalizing behaviors: A genetically informed design*. Paper presented at the 2018 Behavioral Genetics Association Annual Meeting, Boston, MA.
167. Leve, L. D., *Tavalire, H., Shaw, D. S., Reiss, D., Natsuaki, M. N., Ganiban, J. M., & Neiderhiser, J. M. (2018, June). *Using a siblings reared apart and together design to study associations between harsh parenting and child behavior problems*. Paper presented at the 2018 Behavioral Genetics Association Annual Meeting, Boston, MA.
166. *Liu, C., Neiderhiser, J. M., Leve, L. D., Shaw, D. S., Reiss, D., Natsuaki, M. N., & Ganiban, J. M. (2018, June). *Modeling child body mass index Z-score variation from age 2 to 12 years associated with heritable and rearing environmental factors using a multilevel model with heterogeneous variance*. Paper presented at the 2018 Behavioral Genetics Association Annual Meeting, Boston, MA.
165. *Ramos, A. M., Reiss, D., Leve, L. D., Shaw, D. S., Natsuaki, M. N., Ganiban, J. M., & Neiderhiser, J. M. (2018, June). *Examining the role of parent and child in positive youth development: An adoption study*. Paper presented at the 2018 Behavioral Genetics Association Annual Meeting, Boston, MA.
164. *Shewark, E. A., *Ramos, A. M., Ganiban, J. M., Reiss, D., Shaw, D. S., Natsuaki, M. N., Leve, L. D., & Neiderhiser, J. M. (2018, June). *The role of the child in teacher-child relationships: Evocative gene-environment correlation*. Paper presented at the 2018 Behavioral Genetics Association Annual Meeting, Boston, MA.
163. *Tavalire, H., Budd, E., Smith, T., Natsuaki, M. N., Neiderhiser, J. M., Reiss, D., Shaw, D. S., Ganiban, J. M., & Leve, L. D. (2018, June). *Using a siblings reared apart and together design to parse genetic vs. environmental influences on children's body mass index*. Paper presented at the 2018 Behavioral Genetics Association Annual Meeting, Boston, MA.
162. *Horn, S. R., Wagnon, A., Wong, Z., Leve, L. D., Levitt, P., & Fisher, P. A. (2018, May). *Early life adversity, mental health, and oxidative stress: An exploratory study in high-risk adolescent females*. Poster presented at the 73rd annual meeting of the Society of Biological Psychiatry, New York, NY.
161. *Wang, J., Natsuaki, M. N., Leve, L. D., Neiderhiser, J. M., Shaw, D. S., Ganiban, J., & Reiss, D. (2018, April). *Infertility as a reason for adoption: A descriptive study*. Poster presented at the Rudd Adoption Conference, Amherst, MA.

160. *Kovensky, R., Khurana, A., Guyer, S., & Leve, L. D. (2018, April). *HIV knowledge: Associations with sexual risk, adverse childhood experiences, and impulsivity among at-risk adolescent girls*. Poster presented at the 2018 biennial meeting of the Society for Research on Adolescence, Minneapolis, MN.
159. Smith, T. S., Budd, E. L., *Tavalire, H., & Leve, L. D. (2017, December). *Using feasibility data from a naturalistic cross-fostering study to parse biological vs. environmental influences on children's body mass index*. Poster presented at NIH's Pathways to Prevention Workshop: Methods for Evaluating Natural Experiments in Obesity, Bethesda, MD.
158. Ganiban, J. M., Mitchell, D., Simmens, S., Natsuaki, M. N., Neiderhiser, J. M., Reiss, D., Shaw, D. S., & Leve, L. D. (2017, November). *Children's behavioral risk for obesity: Environmental origins and impact on BMI*. Poster presented at the annual meeting of the Obesity Society, National Harbor, MD.
157. Ganiban, J. M., Simmens, S., Natsuaki, M. N., Neiderhiser, J. M., Reiss, D., Shaw, D. S., & Leve, L. D. (2017, November). *Genetic, prenatal, and early postnatal contributions to children's BMI from 2 to 9 years*. Poster presented at annual meeting of the Obesity Society, National Harbor, MD.
156. *Taraban, L., Shaw, D. S., Leve, L. D., Natsuaki, M. N., Ganiban, J. M., Reiss, D., & Neiderhiser, J. M. (2017, June). *Parental depression and child conduct problems during early childhood: The mediating role of over-reactive parenting and the moderating role of the parental social support*. Poster presented at the Journal of Clinical Child and Adolescent Psychology Future Directions Forum, College Park, Maryland.
155. *Borriello, G. A., *Ramos, A., Neiderhiser, J., Natsuaki, M., Reiss, D., & Shaw, D. (2017, April). *Investigating intergenerational transmission of children's mathematical performance*. Poster presented at the biennial meeting of the Society for Research in Child Development, Austin, TX.
154. *Bray, B., Moore, G. A., *Liu, C., Leve, L. D., Shaw, D. S., Ganiban, J. M., Reiss, D., Natsuaki, M. N., & Neiderhiser, J. M. (2017, April). *Differences in father-child and mother-child dyadic regulation at 18 and 27 months*. Poster presented at the biennial meeting of the Society for Research in Child Development, Austin, TX.
153. *Clark, M., Buchanan, R., & Leve, L. (2017, April). *Understanding treatment from the clients' perspective: Understanding how client/professional trust can be created and maintained*. Western Psychological Association Conference, Sacramento, CA.
152. Davis, G. D., *Ramos, A. M., Neiderhiser, J. M., Reiss, D., Shaw, D. S., Leve, L. D., Mitchell, D., & Ganiban, J. M. (2017, April). *What explains physical activity in children? An adoption study*. Poster presented at the biennial meeting of the Society for Research in Child Development, Austin, TX.
151. Field, A., Lester, K., Cartwright-Hatton, S., Harold, G. T., Shaw, D. S., Natsuaki, M. N., Reiss, D., Neiderhiser, J. M., & Leve, L. D. (2017, April). *Maternal and paternal influence on the developmental trajectory of childhood anxiety symptoms: A genetically sensitive study*. Poster presented at the biennial meeting of the Society for Research on Child Development, Austin, TX.
150. *Hails, K., Shaw, D. S., Leve, L. D., Ganiban, J. M., Reiss, D., Natsuaki, M. N., & Neiderhiser, J. M. (2017, April). *Genetically informed study of interaction between prenatal alcohol exposure and parent*

- depression in risk for child externalizing*. Poster presented at the biennial meeting of the Society for Research on Child Development, Austin, TX.
149. *Hails, K., Shaw, D. S., Leve, L. D., Ganiban, J. M., Reiss, D., Natsuaki, M. N., & Neiderhiser, J. M. (2017, April). *Interaction between adoptive mothers' and fathers' depressive symptoms in risk for children's emerging externalizing problems*. Poster presented at the biennial meeting of the Society for Research on Child Development, Austin, TX.
148. Hyde, L., Waller, R., Trentacosta, C. J., Shaw, D. S., Neiderhiser, J. M., Ganiban, J. M., Reiss, D., & Leve, L. D. (2017, April). Examining heritable and nonheritable temperamental pathways to early callous-unemotional behaviors. In Mills-Koonce, W., & Wagner, N. J. (Chairs), *Biopsychosocial examinations of emerging conduct problems and callous unemotional behaviors: Multi-method, multi-system analyses*. Symposium presented at the biennial meeting of the Society for Research in Child Development, Austin, TX.
147. Leve, L. D. (2017, April). Discussant, *The family context and youth antisocial behavior*. Society for Research in Child Development biennial meeting, Austin, TX.
146. *Liu, C., *Beekman, C., Chow, S.-M., Leve, L. D., Shaw, D. S., Ganiban, J. M., Reiss, D., & Neiderhiser, J. M. (2017, April). Child evocative effects on parenting: The role of heritable and prenatal factors. In Ramos, A. (Chair), *Using family-based designs to test associations between pregnancy-related risks and adverse offspring outcomes*. Presented at the biennial meeting of the Society for Research in Child Development, Austin, TX.
145. *Liu, C., Moore, G. A., Chow, S. M., Roben, C. K. P., Leve, L. D., Shaw, D. S., Ganiban, J. M., Reiss, D., Natsuaki, M. N., & Neiderhiser, J. M. (2017, April). *Toddlers' response to arm restraint: Anger reactivity and regulation*. Poster presented at the biennial meeting of the Society for Research in Child Development, Austin, TX.
144. Neiderhiser, J. M., *Liu, C., Mayes, L., Reiss, D., Shaw, D. S., Ganiban, J. M., & Leve, L. D. (2017, April). Effects of genetic risk, prenatal drug use, and rearing environment on toddler emotional reactivity. In D'Onofrio, B. (Chair), *Genetically informed studies of prenatal risk factors*. Presented at the biennial meeting of the Society for Research in Child Development, Austin, TX.
143. *Perez Grabow, A., Khurana, A., Neiderhiser, J. M., Shaw, D. S., Natsuaki, M. N., Reiss, D., & Leve, L. D. (2017, April). *Using an adoption design to study a mechanism of intergenerational transmission of anxiety*. Paper presented at the Western Psychological Association annual convention, Sacramento, CA.
142. *Ramos, A., Marceau, K., Neiderhiser, J. M., Shaw, D. S., Reiss, D., Ganiban, J. M., Natsuaki, M. N., & Leve, L. D. (2017, April). Examining consistency of mother's retrospective recall of prenatal events at 5 months and 7 years postnatally. In Ramos, A. (Chair), *Using family-based designs to test associations between pregnancy-related risks and adverse offspring outcomes*. Presented at the biennial meeting of Society for Research in Child Development, Austin, TX.
141. *Simcock, V., Rodic-Bjedov, M., Sellers, R., Smith, A., Leve, L. D., Shaw, D. S., Natsuaki, M. N., Reiss, D., Neiderhiser, J. M., & Harold, G. T. (2017, April). *Individual and family processes underlying child ADHD and academic attainment: Utilizing a genetically sensitive research design*. Poster presented at the biennial meeting of the Society for Research on Child Development, Austin, TX.

140. *Smith, A., *Sellers, R., *Rodic-Bjedov, M., *Simcock, V., Leve, L. D., Shaw, D. S., Natsuaki, M. N., Reiss, D., Neiderhiser, J. M., & Harold, G. T. (2017, April). *Mother and father parenting processes, child ADHD symptoms and academic performance: Examining a process-oriented model*. Poster presented at the biennial meeting of the Society for Research on Child Development, Austin, TX.
139. Trentacosta, C., Waller, R., Hyde, L., Shaw, D. S., Natsuaki, M. N., Ganiban, J. M., Reiss, D., Leve, L. D., & Neiderhiser, J. M. (2017, April). Callous-unemotional behaviors and harsh parenting across early childhood: Reciprocal associations and moderation by inherited risk. In Trentacosta, C. (Chair), *Early childhood callous-unemotional behavior: Genetically-informed research on regulatory, personality, and parenting correlates*. Presented at the biennial meeting of the Society for Research in Child Development, Austin, TX.
138. Khurana, A., Leve, L. D., & Lindstrom, L. (2016, December). *Self-regulation, autonomy, and career development for high school girls with disabilities: Findings from the Paths 2 the Future study*. Poster presented at the IES 2016 Principal Investigators meeting, Washington, DC.
137. *Cree, R., Gueorguieva, R., Neiderhiser, J. M., Ganiban, J. M., Leve, L. D., Shaw, D. S., Natsuaki, M. N., Connell, C., Smith, M. V., & Reiss, D. (2016, October). *Differential susceptibility in risk for child externalizing problems and social difficulties*. Presented at the American Public Health Association annual meeting, Denver, CO.
136. Trentacosta, C. J., Waller, R., Shaw, D. S., Neiderhiser, J. M., Ganiban, J. M., Reiss, D., Leve, L. D., & Hyde, L. W. (2016, October). *Temperament traits and early callous-unemotional behavior in an adoption sample: The modeling role of positive parenting*. Presented at the Occasional Temperament Conference, Seattle, WA.
135. Leve, L. D. (2016, June). How adoption studies can help us understand why and how parenting matters. In Trimmerger, E. K. (Chair), *The myth of nurture in adoption outcomes and the reality of the interaction of genes and environment*. Presented at the 9th Biennial Adoption Conference, Montclair, NJ.
134. *Dimler, L. M., Natsuaki, M. N., *Stepanyan, S. T., Neiderhiser, J. M., Shaw, D. S., Reiss, D., & Leve, L. D. (2016, May). *Parenting as a moderator of the effects of pubertal timing on problem behaviors: Preliminary findings from a genetically sensitive design*. Presented at the 28th Association for Psychological Science Annual Convention, Chicago, IL.
133. *Kintner, C., Leve, L. D., *Kovensky, R., & *Reich, E. (2016, May). *Examining the implementation of Girls Circle and the Council for Boys and Young Men in schools*. Presented at the Society for Prevention Research 24th Annual Meeting, San Francisco, CA.
132. *Perez, A., Khurana, A., Leve, L. D., Reiss, D., Ganiban, J. M., Shaw, D. S., & Neiderhiser, J. M. (2016, May). *Examining longitudinal associations between trauma exposure and temperament on marijuana use in legalized and non-legalized states*. Presented at the Society for Prevention Research 24th Annual Meeting, San Francisco, CA.
131. *Ramos, A., Natsuaki, M. N., Leve, L. D., Reiss, D., Shaw, D. S., Harold, G. T., Neiderhiser, J. M., & Fosco, G. M. (2016, May). *Re-examining the association between marital quality and parent-child interactions: Incorporating genetic influences*. Presented at the Society for Prevention Research 24th Annual Meeting, San Francisco, CA.

130. *Shewark, E. A., Natsuaki, M. N., Leve, L. D., Ganiban, J. M., Reiss, D., Shaw, D. S., & Neiderhiser, J. M. (2016, May). *The associations among adoptive parent parenting, birth mother and child emotionality during middle childhood*. Presented at the Society for Prevention Research 24th Annual Meeting, San Francisco, CA.
129. Leve, L. D., Chamberlain, P., & Saldana, L. (2016, April). *The KEEP foster parent interventions. Keeping foster parents trained and supported*. Presented at the Blueprints Conference, Denver, CO.
128. *Samuels, D., Natsuaki, M. N., Neiderhiser, J. M., Shaw, D. S., Reiss, D., Ganiban, J. M., & Leve, L. D. (2016, March). *On the cusp of puberty: The emergence of acne and risks for internalizing psychopathology from an adoption design*. Presented at the Society for Research on Adolescence biennial meeting, Baltimore, MD.
127. *Stepanyan, S. T., Natsuaki, M. N., Neiderhiser, J. M., Shaw, D. S., Reiss, D., & Leve, L. D. (2016, March). *Linking early puberty and parenting via environmental pathways: An example from an adoption study*. Presented at the Society for Research on Adolescence biennial meeting, Baltimore, MD.
126. Ganiban, J. M., Simmens, S. J., Neiderhiser, J. M., Natsuaki, M. N., Reiss, D., Shaw, D. S., & Leve, L. D. (2015, November). *Genetic and environmental contributions to children's BMI at age 9 years*. Presented at the annual meeting of The Obesity Society, Los Angeles, CA.
125. Ganiban, J. M., Simmens, S. J., Neiderhiser, J. M., Natsuaki, M. N., Reiss, D., Shaw, D. S., & Leve, L. D. (2015, November). *Genetic and environmental influences on children's BMI trajectories from age 2 to 9 years*. Presented at the annual meeting of The Obesity Society, Los Angeles, CA.
124. *Beekman, C., *Roos, L., Leve, L. D., Shaw, D. S., Reiss, D., & Neiderhiser, J. M. (2015, June). *General psychopathology and parenting as genetic and environmental influences on trajectories of co-occurring behavior problems*. Presented at the Behavior Genetics Association annual meeting, San Diego, CA.
123. Hyde, L. W., *Waller, R., Shaw, D. S., Neiderhiser, J. M., Ganiban, J. M., Natsuaki, M. N., & Leve, L. D. (2015, June). *Toward an understanding of the role of the environment in the development of early callous behavior*. In Hyde, L. (Chair), *Multi-method approaches to understanding mechanisms underlying the etiology and measurement of psychopathy versus externalizing*. Symposium presented at the 2015 biennial meeting of the Scientific Study of Psychopathy, Chicago, IL.
122. *Liu, C., Moore, G., Leve, L. D., Shaw, D. S., Ganiban, J. M., Reiss, D., Natsuaki, M. N., & Neiderhiser, J. M. (2015, June). *Mutual influences between adopted child anger and adoptive parents structured parenting: A prospective adoption study*. Presented at the Behavior Genetics Association annual meeting, San Diego, CA.
121. *Mallari, F., Mitchell, D., Leve, L. D., Neiderhiser, J. M., Reiss, D., & Ganiban, J. M. (2015, June). *Genetic and environmental contributions to children's high intensity physical activity: Evidence of evocative rGE*. Presented at the Behavior Genetics Association annual meeting, San Diego, CA.
120. *Ramos, A. M., Neiderhiser, J. M., Shaw, D. S., Ganiban, J. M., Natsuaki, M. N., & Leve, L. D. (2015, June). *Parental depression and social competence in early childhood: Using an adoption design to disentangle genetic and environmental influences*. Presented at the Behavior Genetics Association annual meeting, San Diego, CA.

119. *Willems, Y., Neiderhiser, J. M., Reiss, D., Shaw, D. S., Natsuaki, M. N., & Leve, L. D. (2015, June). *Environmental influences on effortful control in early childhood: A study in adopted children and their families*. Presented at the Behavior Genetics Association annual meeting, San Diego, CA.
118. *Khan, A., Leve, L. D., Reiss, D., Ganiban, J. M., Shaw, D. S., & Neiderhiser, J. M. (2015, May). *The role of mental health and social support in relation to substance use in pregnant teenagers*. Presented at the Association for Psychological Science annual convention, New York, NY.
117. *Perez, A., Khurana, A., Leve, L. D., Neiderhiser, J. M., Shaw, D. S., Natsuaki, M. N., & Reiss, D. (2015, May). *Genetic and environmental contributions to linkages between maternal trauma and child internalizing and externalizing behavior problems*. Presented at the Society for Prevention Research 23rd annual meeting, Washington, DC.
116. *Reich, E., Leve, L. D., & Khurana, A. (2015, May). *The association between relational aggression and subsequent suicidal behavior among girls in foster care*. Presented at the Society for Prevention Research 23rd annual meeting, Washington, DC.
115. *Beekman, C., Neiderhiser, J. M., Ganiban, J. M., Shaw, D. S., Reiss, D., & Leve, L. D. (2015, March). *A general factor for psychopathology: Genetic transmission and moderation by parenting*. Presented at the Society for Research on Child Development biennial meeting, Philadelphia, PA.
114. DeGarmo, D., Leve, L. D., Neiderhiser, J. M., & Grove, D. (2015, March). *Environmental moderators of father's genetic risk on coercive parenting, substance use, and child behavior problems*. Presented at the Society for Research on Child Development biennial meeting, Philadelphia, PA.
113. Harold, G. T., Leve, L. D., Neiderhiser, J. M., Shaw, D. S., Natsuaki, M. N., & Reiss, D. (2015, March). *Examining family relationship influences on children's psychopathology using novel genetically sensitive research designs*. Presented at the Society for Research on Child Development biennial meeting, Philadelphia, PA.
112. Harold, G. T., Leve, L. D., Neiderhiser, J. M., Shaw, D. S., Natsuaki, M. N., Reiss, D., & Thapar, A. (2015, March). *Biological risk for ADHD, disrupted family relationships, and child psychopathology: Complementary genetically sensitive designs*. Presented at the Society for Research on Child Development biennial meeting, Philadelphia, PA.
111. Hyde, L., Shaw, D. S., *Waller, R., Neiderhiser, J. M., Reiss, D., Ganiban, J. M., Natsuaki, M. N., & Leve, L. D. (2015, March). *The protective effects of parental warmth on the link between early CU behaviors and later conduct problems in an adopted sample*. Presented at the Society for Research on Child Development biennial meeting, Philadelphia, PA.
110. Lipscomb, S., *Becker, D., Laurent, H., Leve, L. D., Neiderhiser, J. M., Natsuaki, M. N., Shaw, D. S., Reiss, D., & Fisher, P. A. (2015, March). *Children's stress system activity moderates effects of teacher-child relationships on success in early elementary school*. Presented at the Society for Research on Child Development biennial meeting, Philadelphia, PA.
109. *Liu, C., *Beekman, C., Leve, L. D., Shaw, D. S., Ganiban, J. M., Reiss, D., Natsuaki, M. N., & Neiderhiser, J. M. (2015, March). *Genetic and environmental influences on trajectories of anger/frustration from infancy to middle childhood: An adoption design*. Presented at the Society for Research on Child Development biennial meeting, Philadelphia, PA.
108. Neiderhiser, J. M., *Marceau, K., *De Araujo-Greecher, M., Ganiban, J. M., Mayers, L., Shaw, D. S., Reiss, D., & Leve, L. D. (2015, March). *Measurement of prenatal and early life risk and early*

- childhood behavioral outcome*. Presented at the Society for Research on Child Development biennial meeting, Philadelphia, PA.
107. *Taraban, L., Shaw, D. S., Reiss, D., Neiderhiser, J. M., Leve, L. D., Conger, R., & Scaramella, L. V. (2015, March). *Paternal depression, parenting, and child outcomes: Moderating role of child negative emotionality*. Presented at the Society for Research on Child Development biennial meeting, Philadelphia, PA.
 106. *Leve, L. D., Harold, G. T., Shaw, D. S., Natsuaki, M. N., Reiss, D., & Neiderhiser, J. M. (2014, June). *Heritable yet malleable: Environmental influences on adopted children's academic achievement*. Presented at the 2014 Behavior Genetics Association annual meeting, Charlottesville, VA.
 105. *Liu, C., *Beekman, C., Leve, L. D., Shaw, D. S., Ganiban, J. M., Reiss, D., Natsuaki, M. N., & Neiderhiser, J. M. (2014, June). *Trajectories of anger in children from infancy to middle childhood: Examining the role of genetic and prenatal risk*. Presented at the 2014 Behavior Genetics Association annual meeting, Charlottesville, VA.
 104. *Mammen, M. A., Moore, G. A., Scaramella, L. V., Reiss, D., Ganiban, J. M., Shaw, D. S., Leve, L. D., & Neiderhiser, J. M. (2014, June). *Infant avoidance of touch differentially predicts pervasive developmental problems in toddlerhood*. Presented at the 138th annual meeting for the American Association on Intellectual and Developmental Disabilities in Orlando, FL.
 103. Natsuaki, M. N., Neiderhiser, J. M., Shaw, D. S., Harold, G. T., Reiss, D., *Dimler, L., & Leve, L. D. (2014, June). *Siblings reared apart: An innovative extension of the adoption design to examine environmental influences*. Presented at the 2014 Behavior Genetics Association annual meeting, Charlottesville, VA.
 102. *Reuben, J. D., Shaw, D. S., Neiderhiser, J. M., Natsuaki, M. N., Reiss, D., Dishion, T. J., Wilson, M. N., & Leve, L. D. (2014, June). *Disentangling the effects of parenting and genetic influences on self-regulation and school readiness using two research designs*. Presented at the 2014 Behavior Genetics Association annual meeting, Charlottesville, VA.
 101. Trentacosta, C., Neiderhiser, J. M., Shaw, D. S., Natsuaki, M. N., Reiss, D., & Leve, L. D. (2014, June). *Aggressive behavior during early childhood: Disentangling the roles of genetic risk, the rearing environment, and emotion regulation*. Presented at the 2014 Behavior Genetics Association annual meeting, Charlottesville, VA.
 100. *Beekman, C., Neiderhiser, J. M., Leve, L. D., Ganiban, J. M., Shaw, D. S., & Reiss, D. (2014, May). *Genetic transmission of disorder risk to children: The advantage of a general psychopathology factor*. Presented at the Life History Studies meeting, Pittsburgh, PA.
 99. Leve, L. D. (2014, May). *High-risk girls in high-risk settings: What have we learned? What's next?* (J. Lloyd, Chair). Participant in discussion hour at the Society for Prevention Research 22nd annual meeting, Washington, DC.
 98. Leve, L. D., Kerr, D. C. R., & Chamberlain, P. (2014, May). *Delinquent adolescent girls' outcomes in young adulthood: Developmental pathways and intervention effects*. Presented at the Life History Studies meeting, Pittsburgh, PA.
 97. *Marceau, K., Neiderhiser, J. M., Ganiban, J. M., Reiss, D., Shaw, D. S., Natsuaki, M. N., & Leve, L. D. (2014, May). *Using an adoption design to disentangle gene x environment interactions: Parenting*

- and prenatal risk moderate genetic influences on conduct problems.* Presented at the annual conference for the Association for Psychological Science, San Francisco, CA.
96. *Reuben, J. D., Shaw, D. S., Neiderhiser, J. M., Natsuaki, M. N., Reiss, D., & Leve, L. D. (2014, May). *Warm parenting and effortful control in toddlerhood: Independence and interactive predictors of school-age externalizing behavior.* Presented at the Life History Studies meeting, Pittsburgh, PA
 95. Saldana, L., Chamberlain, P., & Leve, L. D. (2014, April). *Sustained effects of MTFC for girls: Long-term outcomes for adolescent female offenders.* Presented at the Blueprints Conference, Denver, CO.
 94. Kim, H. K., & Leve, L. D. (2014, March). Long-term intervention effects on criminal referrals among girls in foster care. In L. D. Leve (Chair), *Juvenile justice girls: Precursors, outcomes, and treatment needs.* Presented at the Society for Research on Adolescence biennial meeting, Austin, TX.
 93. Leve, L. D. (2014, March). Chair, *Juvenile justice girls: Precursors, outcomes, and treatment needs.* Society for Research on Adolescence biennial meeting, Austin, TX.
 92. Leve, L. D., Harold, G. T., Kim, H., Collishaw, S., Mahedy, L., & Thapar, A. (2014, March). *Co-occurring depression and conduct problem trajectories among at-risk adolescent girls.* Presented at the Society for Research on Adolescence biennial meeting, Austin, TX.
 91. 91.*Rabinovitch, S. M., Kerr, D. C. R., Leve, L. D., Chamberlain, P., & Smith, D. (August, 2013). *Suicide-related outcomes of childhood sexual abuse: Prospective study of adjudicated females.* Presented at the 121st annual Convention of the American Psychological Association. Honolulu, HI.
 90. Kerr, D., DeGarmo, D., Leve, L. D., & Chamberlain, P. (2013, May). *Effects of delinquency-focused intervention on adolescent girls' long-term depression and suicide risk trajectories.* Presented at the Society for Prevention Research annual meeting, San Francisco, CA.
 89. Leve, L. D. (2013, May). *Do delinquency-focused interventions delivered during adolescence have long-term effects on young women's arrest rates?* In L. D. Leve (Chair), *Long-term criminal justice, mental health, and cost-benefit outcomes of Multidimensional Treatment Foster Care for adolescent females.* Presented at the Society for Prevention Research 21st annual meeting, San Francisco, CA.
 88. Leve, L. D., Kerr, D., Saldana, L., & Gorman-Smith, D. (2013, May). *Long-term criminal justice, mental health, and cost-benefit outcomes of Multidimensional Treatment Foster Care for Adolescent Females.* Presented at the Society for Prevention Research annual meeting, San Francisco, CA.
 87. Saldana, L., Campbell, M., Bradford, D., & Leve, L. D. (2013, May). *Long-term cost-benefit outcomes of an evidence-based practice for juvenile offending females.* Presented at the Society for Prevention Research 21st annual meeting, San Francisco, CA.
 86. *Beekman, C., Neiderhiser, J. M., Shaw, D. S., Reiss, D., Ganiban, J. M., & Leve, L. D. (2013, April). *Latent profiles of child temperament: Genetic and environmental influences and associations with externalizing behavior problems.* Presented at the Society for Research in Child Development Biennial meeting, Seattle, WA.
 85. Bridgett, D., Leve, L. D., Ganiban, J. M., Neiderhiser, J. M., Natsuaki, M. N., Shaw, D. S., & Reiss, D. (2013, April). *Parenting matters for young children's self-regulation: Distinguishing nature from nurture using an adoption design.* Presented at the Society for Research in Child Development biennial meeting, Seattle, WA.

84. *Elam, K., Harold, G. T., Neiderhiser, J. M., Natsuaki, M. N., Reiss, D., Shaw, D. S., & Leve, L. D. (2013, April). *Toddler unresponsiveness and social disruption: Examining evocative genotype–environment correlations with parental hostility*. Presented at the Society for Research in Child Development biennial meeting, Seattle, WA.
83. Gaysina, D., Leve, L. D., Natsuaki, M. N., Reiss, D., Shaw, D. S., Neiderhiser, J. M., Arnold, K. N., Elam, K., & Harold, G. T. (2013, April). *Genetically informed investigation of the effect of advanced paternal age on offspring social behaviors*. Presented at the Society for Research in Child Development biennial meeting, Seattle, WA.
82. Harold, G. T., Leve, L. D., *Elam, K., Barrett, D., Neiderhiser, J. M., Natsuaki, M. N., Reiss, D., Shaw, D. S., & Thapar, A. (2013, April). *Examining the role of passive and evocative genotype–environment correlation underlying maternal parenting influences on children’s ADHD*. Presented at the Society for Research in Child Development biennial meeting, Seattle, WA.
81. *Mammen, M. A., Moore, G. A., Reiss, D., Shaw, D. S., Leve, L. D., & Neiderhiser, J. M. (2013, April). *Prenatal environment in relation to infant sensory processing patterns*. Presented at the Society for Research in Child Development biennial meeting, Seattle, WA.
80. *Mammen, M. A., Moore, G. A., Reiss, D., Shaw, D. S., Leve, L. D., & Neiderhiser, J. M. (2013, April). *Understanding the relation between infant temperament and sensory processing patterns*. Presented at the Society for Research in Child Development biennial meeting, Seattle, WA.
79. Neiderhiser, J. M., *Beekman, C., Ganiban, J. M., Reiss, D., Shaw, D. S., & Leve, L. D. (2013, April). *Toddler fussiness evokes conflict in parent–toddler relationships: The roles of genetic influences and pregnancy drug use*. Presented at the Society for Research in Child Development biennial meeting, Seattle, WA.
78. *Reuben, J., Shaw, D. S., Neiderhiser, J. M., Natsuaki, M. N., Reiss, D., & Leve, L. D. (2013, April). *Behavioral inhibition and effortful control: Independent and interactive predictors of child externalizing behavior*. Presented at the Society for Research in Child Development biennial meeting, Seattle, WA.
77. *Rhoades, K. A., Leve, L. D., Natsuaki, M. N., Harold, G. T., Neiderhiser, J. M., Shaw, D. S., & Reiss, D. (2013, April). *Genetic influences on children’s anger and peer relations: Mediation and moderation by parental involvement and overreactivity*. Presented at the Society for Research in Child Development biennial meeting, Seattle, WA.
76. *Roben, C., Moore, G., Cole, P., Molenaar, P., Leve, L. D., Shaw, D. S., Reiss, D., & Neiderhiser, J. M. (2013, April). *Transactional patterns of maternal depressive symptoms and mother–child interactions in adoptive families: The added value of observational second-by-second coding*. Presented at the Society for Research in Child Development biennial meeting, Seattle, WA.
75. Roos, L. E., Leve, L. D., Neiderhiser, J. M., Shaw, D. S., Reiss, D., Natsuaki, M. N., & Fisher, P. A. (2013, April). *Genetic, environmental, and prenatal influences on a co-occurring symptom phenotype*. Presented at the Society for Research in Child Development biennial meeting, Seattle, WA.
74. Weller, J. A., Leve, L. D., & Kim, H. (2013, April). *Risky decision making in maltreated adolescents: Do losses loom larger than gains when predicting health outcomes?* Presented at the 2013 biennial meeting for the Society for Research in Child Development, Seattle, WA.

73. Kim, H. K., Leve, L. D., & *Rhoades, K. A (2012, October). *Characteristics and risk for intimate partner violence among young women with a history of juvenile system involvement*. Presented at the Society for Research in Child Development themed meeting: Transitions from Adolescence to Adulthood, Tampa, FL.
72. *Rhoades, K. A., Leve, L. D., & Kim, H. K. (2012, October). *Young women's substance use and partner delinquency: Associations among women with prior juvenile justice system involvement*. Presented at the Society for Research in Child Development Themed meeting: Transitions from Adolescence to Adulthood, Tampa, FL.
71. Weller, J., Leve, L. D., & Kim, H. (2012, October). *Decision making and the transition to adulthood: Gain- and loss-related decision making for high- versus low-risk girls*. Presented at the Society for Research in Child Development themed meeting: Transitions from Adolescence to Adulthood, Tampa, FL.
70. *Beekman, C., Neiderhiser, J. M., Buss, K. A., Ganiban, J. M., Leve, L. D., Shaw, D. S., & Reiss, D. (2012, June). *The development of early profiles of temperament: Characterization, continuity, and etiology*. Presented at the International Conference on Infant Studies, Minneapolis, MN.
69. *Brooker, R., Neiderhiser, J. M., Leve, L. D., Shaw, D. S., & Reiss, D. (2012, June). *Difficult temperament in infancy evokes changes in parent anxiety symptoms over time*. Presented at the International Conference on Infant Studies, Minneapolis, MN.
68. *Davey, K., *Marceau, K., Brooker, R., Leve, L. D., Ganiban, J. M., Reiss, D., & Neiderhiser, J. M. (2012, May). *Maternal sensitivity predicts less behavioral inhibition: A Genotype x Environment interaction*. Presented at the Society for Prevention Research annual meeting, Washington, DC.
67. Kim, H. K., Leve, L. D., & Weller, J. (2012, May). *Risk taking propensity, drug use, and delinquency among low-income girls and foster girls*. Presented at the Society for Prevention Research annual meeting, Washington, DC.
66. Lloyd, J., & Leve, L. D. (2012, May). *Interventions to prevent multiple risk behaviors in high-risk youth: Challenges, opportunities, and implications*. Presented at the annual meeting of the Society for Prevention Research, Washington DC.
65. *Rhoades, K. A., Eddy, J. M., Chamberlain, P., & Leve, L. D. (2012, May). *Predicting adult arrests for juvenile justice youth: Risk and protective factors*. Presented at the annual meeting of the Society for Prevention Research, Washington DC.
64. Mendle, J., *Van Ryzin, M. J., Natsuaki, M. N., & Leve, L. D. (2012, March). *Pubertal development and internalizing symptoms among girls in foster care*. Presented at the Society for Research in Adolescence, San Francisco, CA.
63. Harold, G. T., *Rhoades, K. A., Neiderhiser, J. M., Natsuaki, M. N., Shaw, D. S., Reiss, D., & Leve, L. D. (2012, February). *Intergenerational transmission of genetic risk for psychopathology: Employing a latent variable approach to risk estimation*. Presented at the Society for Research in Child Development themed meeting: Developmental Methodology, Tampa, FL.
62. Kim, H. K., Leve, L. D., Chamberlain, P., & *Rhoades, K. A. (2011, November). *Partner violence among young women with a history of foster care system involvement: Long-term effects of out-of-home intervention services*. Presented at The American Society of Criminology, Washington, DC.

61. *Rhoades, K. A., Leve, L. D., Chamberlain, P., Kim, H., & Harold, G. T. (2011, November). *Long-term outcomes for girls involved in randomized controlled trials and implementation trials of Multidimensional Treatment Foster Care*. Presented at the Social Learning and Family Research Preconference Meeting prior to the annual meeting of the Association for Behavioral and Cognitive Therapies. Toronto, CA.
60. *Beekman, C., Neiderhiser, J. M., Shaw, J. S., Leve, L. D., & Reiss, D. (2011, June). *Disentangling genetic effects from differential associations between use of drugs, alcohol, and tobacco during pregnancy and child behavior problems*. Presented at the Society for Prevention Research 19th annual meeting, Washington, DC.
59. *Brooker, R., Neiderhiser, J. M., Ganiban, J. M., Leve, L.D., Shaw, D. S., & Reiss, D. (2011, June). *Attention control modulates genetic and environmental risk for poor socioemotional adjustment*. Presented at the Behavior Genetics Association 41st annual meeting, Newport, RI.
58. *Elam, K., Leve, L. D., Harold, G. T., Neiderhiser, J. M., Shaw, D. S., Natsuaki, M. N., Scaramella, L. V., & Reiss, D. (2011, June). *Are different kinds of parenting more effective for different children?: Considering genetic influences using an adoption design*. Presented at the Behavior Genetics Association 41st annual meeting, Newport, RI.
57. Kim, H., Leve, L. D., Chamberlain, P., Smith, D., & Pears, K. (2011, June). *A preventive intervention for girls in foster care: Long-term effects on drug use and health-risking sexual behavior*. Presented at the Society for Prevention Research 19th annual meeting, Washington, DC.
56. *Marceau, K., *Hajal, N., Ganiban, J. M., Leve, L. D., Reiss, D., & Neiderhiser, J. M. (2011, June). *Do different types of perinatal risk differentially mediate associations between genetic risk for psychopathology and infant behavior?* Presented at the Behavior Genetics Association 41st annual meeting, Newport, RI.
55. *Rhoades, K. A., Leve, L. D., Chamberlain, P., Saldana, L., & Kim, H. (2011, June). *Long-term outcomes for girls in a randomized controlled trial of Multidimensional Treatment Foster Care: Predictors of substance use during the transition to adulthood*. Presented at the Society for Prevention Research 19th annual meeting, Washington, DC.
54. *Rhoades, K., Leve, L. D., Neiderhiser, J. M., Shaw, D. S., & Reiss, D. (2011, June). *Social mechanisms in gene-environment interaction: Findings from the early growth and development adoption study*. Presented at the Behavior Genetics Association's 41st Annual meeting Behavior, Newport, RI.
53. *Zappaterra, L., Ganiban, J. M., Natsuaki, M. N., Neiderhiser, J. M., Reiss, D., Shaw, D. S., & Leve, L. D. (2011, June). *Gene-environment interaction and the development of effortful control during the toddler years*. Presented at the Behavior Genetics Association's 41st annual meeting Behavior, Newport, RI.
52. *Chester, C. E., Neiderhiser, J. M., Leve, L. D., Shaw, D. S., Ganiban, J. M., Scaramella, L. V., & Reiss, D. (2011, April). *Openness in adoption: Does a transracial adoption matter?* Presented at the New Worlds of Adoption Conference, Amherst, MA.
51. *Rhoades, K., Leve, L. D., Neiderhiser, J. M., Harold, G. T., & Reiss, D. (2010, November). *Longitudinal relations among marital hostility, dysfunctional parenting, and child negative emotionality in an adoption sample*. Presented at ABCT's 44th Annual Convention, San Francisco, CA.

50. DeGarmo, D. S., Leve, L. D., Neiderhiser, J. M., & Grove, D. S. (2010, June). *Social support as a G x E buffer to coercive fathering and substance use*. Presented at the 18th annual meeting for the Society for Prevention Research, Denver, CO.
49. Neiderhiser, J. M., Leve, L. D., Whitesel, A., Conger, R. D., Ganiban, J. M., Natsuaki, M. N., Scaramella, L. V., Shaw, D. S., Reid, J., & Reiss, D. (2010, April). *The Early Growth and Development Study: Advancing our understanding of gene-environment interplay and adoption process*. Presented at the 2nd annual Adoption Research Conference, Amherst, MA.
48. Neiderhiser, J. M., & Leve, L. D. (2009, October). *Prenatal exposure to nicotine: Disentangling genetic risk and prenatal exposure effects*. Presented at the American Academy of Child and Adolescent Psychiatry's 56th annual meeting, Honolulu, HI.
47. Leve, L. D., DeGarmo, D., Shaw, D. S., Neiderhiser, J. M., Ge, X., & Reiss, D. (2009, June). *Executive functioning in 27-month old adopted children: Genetic, parenting, and temperament influences*. Presented at the Behavior Genetics Association's 39th annual meeting, Minneapolis, MN.
46. *Marceau, K. P., Burt, S. A., Humbad, M. N., Klump, K. K., Leve, L. D., & Neiderhiser, J. M. (2009, June). *Genetic and environmental influences on observed externalizing behavior in middle childhood and early adolescence*. Presented at the Behavior Genetics Association's 39th annual meeting, Minneapolis, MN.
45. Natsuaki, M. N., Ge, X., Leve, L. D., Neiderhiser, J. M., Shaw, D. S., Conger, R. D., Reid, J., & Reiss, D. (2009, June). *Genetic risk for depression, environment, and the development of fussiness in toddlers: Evidence from a prospective adoption design*. Presented at the Behavior Genetics Association conference, Minneapolis, MN.
44. DeGarmo, D., Reid, J., Fisher, P. A., Chamberlain, P., & Leve, L. D. (2009, May). Short-term impact of the Pathways Home randomized efficacy trial. In B. Miller (Chair), *Parenting interventions to prevent child maltreatment and child behavior problems*. Presented at the 17th annual meeting for the Society for Prevention Research, Washington, DC.
43. *Kerr, D., Leve, L. D., & Chamberlain, P. (2009, April). *Delinquent girls' suicidal thoughts and behaviors: A two-year follow-up of Multidimensional Treatment Foster Care*. Presented at the biennial meeting of the Society for Research in Child Development, Denver, CO.
42. *Kerr, D., Leve, L. D., & Chamberlain, P. (2009, April). *Multidimensional Treatment Foster Care reduces pregnancy among juvenile justice girls*. Presented at the biennial meeting of the Society for Research in Child Development, Denver, CO.
41. Leve, L. D., DeGarmo, D., Shaw, D. S., & Reiss, D. (2009, April). Early precursors of externalizing behavior: Genetic, parenting, and temperament effects on executive functioning in toddlerhood. In L. Leve & S. van Goozen (Chairs), *Neurobiological, genetic, and family influences on externalizing problems: Building a translational developmental model*. Presented at the biennial meeting of the Society for Research in Child Development, Denver, CO.
40. Leve, L. D., Shaw, D. S., & Reiss, D. (2009, April). Parenting, genes, or both? Predictors of problem behavior during toddlerhood in a prospective adoption sample. In M. N. Natsuaki (Chair), *Revisiting classic questions in child development: Creative ways of using genetically sensitive data*. Presented at the biennial meeting of the Society for Research in Child Development, Denver, CO.

39. Weaver, C., Shaw, D. S., Leve, L., Brennan, L., Rife, K., Russell, E., & Reiss, D. (2009, April). *Adoptive mothers' parenting self-efficacy and children's problem behavior: Effects of adoptive and biological mothers' depression*. Presented at the biennial meeting of the Society for Research in Child Development, Denver, CO.
38. Chamberlain, P., Leve, L. D., & Saldana, L. (2008, October). *Family- versus group-based treatment for girls with chronic delinquency: Characteristics, processes, and outcomes*. Presented at the annual meeting of the American Academy of Child & Adolescent Psychiatry, Chicago, IL.
37. *Hajal, N. J., Moore, G. A., Shaw, D. S., Leve, L. D., Neiderhiser, J. M., & Reiss, D. (2008, June). *Marital quality and parenting in adoptive families: Differential influence of infant temperament for mothers and fathers*. Presented at the annual meeting of the Behavior Genetics Association, Louisville, KY.
36. Leve, L. D., Neiderhiser, J. M., Ge, X., Harold, G. T., Shaw, D. S., & Reiss, D. (2008, June). *Overreactive parenting during toddlerhood: An examination of continuity, genetic influences, and outcomes using an adoption design*. Presented at the annual meeting of the Behavior Genetics Association, Louisville, KY.
35. Leve, L. D., Kerr, D., & Chamberlain, P. (2008, May). *Girls in foster care: A randomized prevention trial reducing behavior problems and depression during the transition to middle school*. Presented at the annual meeting of the Society for Prevention Research, San Francisco, CA.
34. *Kerr, D. C. R., Leve, L. D., & Chamberlain, P. (2008, March). Trajectories of health-risking sexual behavior among girls in the juvenile justice system. In M. Little (Chair), *Impact of formal care on adolescent trajectories of externalizing problems*. Presented at the biennial meeting of the Society for Research on Adolescence, Chicago, IL.
33. Leve, L. D., & Chamberlain, P. (2008, March). Juvenile justice girls in out-of-home care: Childhood risk factors, intervention outcomes, and developmental trajectories. In P. K. Kerig (Chair), *Dynamics of girls' delinquency: Risks, interventions, and underlying mechanisms*. Presented at the biennial meeting of the Society for Research on Adolescence, Chicago, IL.
32. Leve, L. D. (2007, June). *Girls in foster care: Preventing behavior problems and health-risking behaviors during the transition to middle school*. Presented at the annual meeting of the Society for Prevention Research, Washington, DC.
31. Leve, L. D., & Chamberlain, P. (2007, June). Juvenile justice girls' substance use and health-risking sexual behavior: The impact of female friends. In S. Miller-Johnson, L. D. Leve, & M. Terzian (Chairs), *Girls' problem behaviors: Risk factors and interventions*. Presented at the annual meeting of the Society for Prevention Research, Washington, DC.
30. Chamberlain, P., & Leve, L. D. (2007, March). Academic engagement in juvenile justice girls: Multidimensional Treatment Foster Care as an efficacious intervention. In E. Stormshak & C. E. Domitrovich (Chairs), *Social, emotional, and family-centered prevention programs that impact academic outcomes*. Presented at the biennial meeting of the Society for Research in Child Development, Boston, MA.
29. Leve, L. D., & Chamberlain, P. (2007, March). Juvenile justice girls' association with delinquent peers and partners: Link to health-risking behaviors. In S. Miller-Johnson (Chair), *Girls' peer and partner relations: links to antisocial behavior*. Presented at the biennial meeting of the Society for Research in Child Development, Boston, MA.

28. Leve, L. D., Fisher, P. A., Kim, H. K., & Reiss, D. (2007, March). Environmental moderation of genetic and neuroregulatory influences on children's internalizing behavior. In L. D. Leve (Chair), *Integrating biological and environmental perspectives on internalizing problems in young children*. Presented at the biennial meeting of the Society for Research in Child Development, Boston, MA.
27. Miller-Johnson, S., & Leve, L. D. (2006, March). *Girls and delinquency: Bringing together research, practice, and policy*. Presented at the biennial meeting of the Society for Research on Adolescence, San Francisco, CA.
26. Leve, L. D., & Kim, H. K. (2006, March). Sex differences in childhood predictors of adolescent health-risking behavior. In J. M. Neiderhiser & L. D. Leve (Chairs), *Sex differences in adolescent and young adult adjustment: A focus on relationships*. Presented at the biennial meeting of the Society for Research on Adolescence, San Francisco, CA.
25. Leve, L. D., & Chamberlain, P. (2005, May). *Girls referred from juvenile justice: Treatment needs and intervention outcomes*. In P. Smith (Chair), *Girls and the juvenile justice system: Examining mental health, education, and treatment*. Presented at the annual meeting of the Society for Prevention Research, Washington, DC.
24. Leve, L. D., Shaw, D. S., & Reiss, D. (2005, May). The integration of behavior genetic methods and prevention science. In K. Conway (Chair), *Translational research on drug abuse: Linkages between genetics and prevention*. Presented at the annual meeting of the Society for Prevention Research, Washington, DC.
23. Leve, L. D., & Fisher, P. A. (2005, April). *Outcomes and evidence-based interventions for youth with child welfare system involvement*. Presented at the biennial meeting of the Society for Research in Child Development, Atlanta, GA.
22. Leve, L. D., & Sprenghelmeyer, P. G. (2005, April). Adolescents with abuse and delinquency histories: Outcomes from a randomized intervention trial for girls in out-of-home care. In L. D. Leve (Chair), *Outcomes and evidence-based interventions for youth with child welfare system involvement*. Presented at the biennial meeting of the Society for Research in Child Development, Atlanta, GA.
21. Reiss, D., Suomi, S., Bouvin, M., Neiderhiser, J. M., Scaramella, L., Petrill, S. A., Deater-Deckard, K., & Leve, L. D. (2005, April). *Converging methods and designs for examining the interplay between genes and the social environment on development*. Presented at the biennial meeting of the Society for Research in Child Development, Atlanta, GA.
20. Chamberlain, P. (Chair), Leve, L. D. (Co-Chair), & Sprenghelmeyer, P. G. (Co-Chair). (2004, June). *Girls in the criminal justice system: Treatment model, co-occurring risk characteristics and intervention outcomes*. Presented at the Complexities of Co-occurring Conditions conference, Washington, DC.
19. Leve, L. D., & Pears, K. P. (2004, March). The influence of parent-child relations and parental monitoring on the development of high-risking sexual behavior. In R. D. Laird (Chair), *Consequences of developmental changes in parenting for adolescents' same and opposite sex peer relationships*. Presented at the biennial meeting of the Society for Research on Adolescence, Baltimore, MD.

18. Chamberlain, P., Leve, L. D., Reid, J. B., & Sprenghelmeyer, P. G. (2003, November). Adolescent girls in trouble: Community-based foster care as an alternative placement option. In P. W. Greenwood (Chair), *Taking proven prevention programs up to scale*. Presented at the annual meeting of the American Society of Criminology, Denver, CO.
17. Leve, L. D. (2003, April). Predicting late adolescent externalizing and internalizing symptoms from earlier peer and parent attachment security. In D. S. DeGarmo (Chair), *Evaluating environmental and causal effects of parenting on child adjustment: Diverse designs and diverse populations*. Presented at the biennial meeting of the Society for Research in Child Development, Tampa, FL.
16. Leve, L. D. (2003, April). Adolescent girls in Treatment Foster Care: Risk characteristics and 12-month follow-up outcomes. In P. Chamberlain (Chair), *Characteristics and outcomes of a Treatment Foster Care intervention for delinquent boys and girls*. Presented at the biennial meeting of the Society for Research in Child Development, Tampa, FL.
14. Moore, K., & Leve, L. D. (2002, November). The development and treatment of delinquency: The role of maltreatment, gender and foster care. In A. Dixon (Chair), *Trauma and victimization among female juvenile offenders*. Presented at the annual meeting of The International Society for Traumatic Stress Studies, Baltimore, MD.
14. Leve, L. D., & Pears, K. (2002, April). *Developmental trajectories of internalizing and externalizing behavior: Moderating effects of childhood temperament*. Presented at the biennial meeting of the Society for Research on Adolescence, New Orleans, LA.
13. DeGarmo, D., & Leve, L. D. (2001, April). *Social support and attachment to parent across adolescence: Moderating the effects of negative events on psychopathology*. Presented at the biennial meeting of the Society for Research in Child Development, Minneapolis, MN.
12. Leve, L. D. (1999, April). Environmental and genetic effects on early adolescents' peer behavior. In J. M. Neiderhiser & L. D. Leve (Co-chairs), *Genetic and environmental influences on social relationships: An examination of twin studies across the lifespan*. Presented at the 63rd biennial meeting of the Society for Research in Child Development, Albuquerque, NM.
11. Leve, L. D. (1999, April). Longitudinal prediction of children's adaptive and maladaptive behavior. In L. D. Leve (Chair), *Transmission of social and cognitive processes across generations: Continuing the research of Beverly Fagot*. Presented at the 63rd biennial meeting of the Society for Research in Child Development, Albuquerque, NM.
10. Leve, L. D., Fagot, B. I., & Reiss, D. (1998, June). *Integrating behavior genetic and prevention research*. Presented at the 6th annual meeting of the Society for Prevention Research, Salt Lake City, UT.
9. Leve, L. D., & The Promoting Healthy Development Team. (1997, May). *Preventive intervention, genetics and the environment: Pilot work with home-based procedures for families with toddlers*. Presented at the 5th annual meeting of the Society for Prevention Research, Baltimore, MD.
8. Leve, L. D., & Follingstad, L. L. (1997, April). Observation of children's peer relations during a provocation task: A twin study. In M. K. Underwood (Chair), *Creating naturalistic methods to observe peer relations and emotional expression*. Presented at the 62th biennial meeting of the Society for Research in Child Development, Washington, DC.

7. Leve, L. D., Neiderhiser, J. M., Fagot, B. I., & Reid, J. B. (1996, May). *Genetic and environmental contributions to antisocial behavior in boys and girls*. Presented at the 5th National Conference on Prevention Research, McLean, VA.
6. Leve, L. D., Winebarger, A. A., Fagot, B. I., Reid, J. B., & Goldsmith, H. H. (1995, May). *Shared environmental variance in observed mother-child interaction*. Presented at the 25th annual meeting of the Behavior Genetics Association, Richmond, VA.
5. Leve, L. D. (1995, March). *The influence of attachment classification and parenting behavior on children's prosocial behavior with peers*. Presented at the 61st biennial meeting of the Society for Research in Child Development, Indianapolis, IN.
4. Winebarger, A. A., Leve, L. D., Reid, J. B., & Goldsmith, H. H. (1995, March). Shared environmental influences on observed compliance in twins. In H. H. Goldsmith (Chair), *Extending developmental behavioral genetics: New findings, new perspectives*. Presented at the 61st biennial meeting of the Society for Research in Child Development, Indianapolis, IN.
3. Leaper, C., *Strasser, T., & Smith (Leve), L. D. (1993, March). Sociocultural correlates of parents' gender-related communication with their young child. In C. Leaper (Chair), *Sociocultural influences on gender development*. Presented at the 60th biennial meeting of the Society for Research in Child Development, New Orleans, LA.
2. *Schwartz, R., *Sprague, R., Smith (Leve), L. D., & Leaper, C. (1991, August). *Maternal employment and mothers' sex-typed play with their preschool children*. Presented at the 99th annual meeting of the American Psychological Association, San Francisco, CA.
1. Leaper, C., Smith (Leve), L. D., *Sprague, R., & *Schwartz, R. (1991, March). *Single-parent mothers, married mothers, married fathers, and the socialization of gender in preschool children*. Presented at the 59th biennial meeting of the Society for Research in Child Development, Seattle, WA.

Regional and State Presentations

18. Leve, L. D. (2018, January). *College of Education research in prevention science*. Presented at the University of Oregon Alumni Association meeting, Eugene, OR
17. Leve, L. D. (2017, July). *Tackling the childhood obesity epidemic*. Presented at the University of Oregon's Quack Chats, Eugene, OR
16. Leve, L. D. (2016, May). *Outcomes for girls in foster care: Results from two Oregon research trials*. Presented at State of Oregon Research Academy, Salem, OR.
15. Leve, L. D. (2015, July). *Adoption and mental health: Implications for birth parents and adoptive parents*. Presented at WellMama Research Blast, Eugene, OR.
14. Leve, L. D., & Neiderhiser, J. M. (2009, April). *Genetics, families, & child development*. Presented at the Conference on Supporting Youth and Families: Evidence-Based Practices at Work, Eugene, OR.
13. Leve, L. D. (2005, November). *Family process, genes, and the toddler transition: The Early Growth and Development Study*. Presented at the Child and Family Center, Eugene, OR.

12. *Hollenstein, T., Leve, L. D., Scaramella, L., & Neiderhiser, J. M. (2000, April). *Openness in adoption: Adoptive parent perceptions of their child and of the birthparents*. Presented at the annual meeting of the Western Psychological Association, Portland, OR.
11. *Hong, N. N., Leve, L. D., & Fisher, P. A. (2000, April). *Parenting behaviors and children's depression and anxiety*. Presented at the annual meeting of the Western Psychological Association, Portland, OR.
10. Leve, C., Fisher, P. A., Leve, L. D., *Ellis, B. H., & Fagot, B. I. (2000, April). *Children's peer relations in stepmother, stepfather, and biological two-parent families*. Presented at the annual meeting of the Western Psychological Association, Portland, OR.
9. *Suski, A., & Leve, L. D. (2000, April). *Gender stereotyping in young children: Order of presentation effects*. Presented at the annual meeting of the Western Psychological Association, Portland, OR.
8. Leve, L. D., & The Promoting Healthy Development Team. (1996, October). *Temperament and family adjustment in adoptive families*. Presented at the 10th Occasional Temperament Conference, Eugene, OR.
7. *Follingstad, L. L., Fagot, B. I., & Leve, L. D. (1995, February). *Childhood experiences of parenting behavior and adult perceptions of parenting styles: A consideration for the inter-generational transmission theory*. Presented at the 53rd annual meeting of the Oregon Academy of Science, Portland, OR.
6. Leve, L. D., Winebarger, A. A., & Fagot, B. I. (1995, February). *Observers' impressions of mother-child interactions in twin families*. Presented at the 53rd annual meeting of the Oregon Academy of Science, Portland, OR.
5. Winebarger, A. A., *Reniger, A., & Leve, L. D. (1994, February). *The Personality Inventory for Children: A twin study*. Presented at the 52nd annual meeting of the Oregon Academy of Science, Corvallis, OR.
4. Winebarger, A., Smith (Leve), L. D., Fagot, B. I., & May, P. (1993, April). *College students' retrospective impressions of parental discipline and reward behaviors*. Presented at the 73rd annual meeting of the Western Psychological Association, Phoenix, AZ.
3. Smith (Leve), L. D. & Fagot, B. I. (1992, April). *A comparison of sex-role traditionality and discipline styles in single- and married-parent families*. Presented at the 72nd annual meeting of the Western Psychological Association, Portland, OR.
2. Smith (Leve), L. D., *Schwartz, R., *Sprague, R., & Leaper, C. (1991, April). *Single-parent mothers' and married mothers' communications with their preschoolers*. Presented at the 71st annual meeting of the Western Psychological Association, Burlingame, CA.
1. *Sprague, R., *Schwartz, R., Smith (Leve), L. D., & Leaper, C. (1991, April). *Preschool children's communications with their mothers and fathers*. Presented at the 71st annual meeting of the Western Psychological Association, Burlingame, CA.

Published Conference Proceedings

46. *Broderick, A. V., Neiderhiser, J. M., Natsuaki, M. N., Ganiban, J. M., Reiss, D., & Leve, L. D. (2018, June). Direct and indirect pathways to middle childhood anxiety symptoms: The role of

- inherited risk, early childhood characteristics, and negative parenting. *Behavior Genetics*, *48*, 461. doi: 10.1007/s10519-018-9929-8
45. *Griffin, A. M., *Ramos, A. M., *Willems, Y. E., Shaw, D. S., Leve, L. D., Reiss, D., Ganiban, J. M., Natsuaki, M. N., & Neiderhiser, J. M. (2018, June). The influence of positive emotionality, social competence, and parental warmth on the development of internalizing and externalizing behaviors: A genetically informed design. *Behavior Genetics*, *48*, 475. doi: 10.1007/s10519-018-9929-8
44. Leve, L. D., *Tavalire, H., Shaw, D. S., Reiss, D., Natsuaki, M. N., Ganiban, J. M., & Neiderhiser, J. M. (2018, June). Using a siblings reared apart and together design to study associations between harsh parenting and child behavior problems. *Behavior Genetics*, *48*, 488. doi: 10.1007/s10519-018-9929-8
43. *Liu, C., Neiderhiser, J. M., Leve, L. D., Shaw, D. S., Reiss, D., Natsuaki, M. N., & Ganiban, J. M. (2018, June). Modeling child body mass index Z-score variation from age 2 to 12 years associated with heritable and rearing environmental factors using a multilevel model with heterogeneous variance. *Behavior Genetics*, *48*, 490. doi: 10.1007/s10519-018-9929-8
42. *Ramos, A. M., Reiss, D., Leve, L. D., Shaw, D. S., Natsuaki, M. N., Ganiban, J. M., & Neiderhiser, J. M. (2018, June). Examining the role of parent and child in positive youth development: An adoption study. *Behavior Genetics*, *48*, 507. doi: 10.1007/s10519-018-9929-8
41. *Shewark, E. A., *Ramos, A. M., Ganiban, J. M., Reiss, D., Shaw, D. S., Natsuaki, M. N., Leve, L. D., & Neiderhiser, J. M. (2018, June). The role of the child in teacher–child relationships: Evocative gene–environment correlation. *Behavior Genetics*, *48*, 513. doi: 10.1007/s10519-018-9929-8
40. *Tavalire, H., Budd, E., Smith, T., Natsuaki, M. N., Neiderhiser, J. M., Reiss, D., Shaw, D. S., Ganiban, J. M., & Leve, L. D. (2018, June). Using a siblings reared apart and together design to parse genetic vs. environmental influences on children’s body mass index. *Behavior Genetics*, *48*, 515. doi: 10.1007/s10519-018-9929-8
39. Ahmadzadeh, Y. I., Eley, T. C., Neiderhiser, J. M., Leve, L. D., Shaw, D. S., Reiss, D., Natsuaki, M. N., & McAdams, T. A. (2017, June). Associations between parent and child anxiety are bidirectional: Evidence from mothers and fathers. *Behavior Genetics*, *47*, 706. doi: 10.1007/s10519-017-9879-6
38. Borriello, G. A., *Ramos, A. M., Leve, L. D., Ganiban, J. M., Natsuaki, M. N., Reiss, D., Shaw, D. S., & Neiderhiser, J. M. (2017, June). Investigating the role of parenting behaviors in children’s mathematics ability. *Behavior Genetics*, *47*, 659. doi: 10.1007/s10519-017-9879-6
37. Liu, C., Leve, L. D., Shaw, D. S., Ganiban, J. M., Reiss, D., & Neiderhiser, J. M. (2017, June). Examining the effects of genetic, prenatal illicit drug use, and postnatal rearing environment on child school age outcomes. *Behavior Genetics*, *47*, 694. doi: 10.1007/s10519-017-9879-6
36. Rhoades, K. A., Leve, L. D., Natsuaki, M. N., Neiderhiser, J. M., Shaw, D. S., Ganiban, J. M., & Reiss, D. (2017, June). Sleep problems from 18 months to 6 years: A mechanism in the intergenerational transmission of psychopathology? *Behavior Genetics*, *47*, 660. doi: 10.1007/s10519-017-9879-6

35. *Shewark, E. A., *Ramos, A., Ganiban, J. M., Shaw, D. S., Reiss, D., Natsuaki, M. N., Leve, L. D., & Neiderhiser, J. M. (2017, June). Genetic and environmental influences on associations among parenting and child negative emotionality. *Behavior Genetics, 47*, 689. doi: 10.1007/s10519-017-9879-6
34. Leve, L. D., Cresko, W. A., Morar, N., & Bohannon, B. J. M. (2016, June). Examining skin and gut microbiome profiles in a sample of siblings reared together vs. apart: Design and feasibility considerations. *Behavior Genetics, 46*, 793.
33. *Beekman, C., *Roos, L., Leve, L. D., Shaw, D. S., Reiss, D., & Neiderhiser, J. M. (2015, June). General psychopathology and parenting as genetic and environmental influences on trajectories of co-occurring behavior problems. *Behavior Genetics, 45*(6), 643.

External Funding

I have written and co-written more than 35 competitively funded proposals, resulting in more than \$50 million of external funding received from federal grant competitions.

Funded Grants

39. 09/01/2018–08/31/2023. The Early Growth and Development Study Pediatric Cohort (1UH3 OD023389; Principal Investigators: Leve, Neiderhiser, Ganiban). For \$12,457,290 (total costs) from the National Institutes of Health Office of the Director.

38. 04/01/2018–01/31/2023. An Adoption Study of the Development of Early Substance Use: The Joint Roles of Genetic Influences, Prenatal Risk, Rearing Environment, and Pubertal Maturation (R01 DA045108; Principal Investigator: Neiderhiser; Principal Investigator on UO subcontract: Leve). For \$1,345,360 (UO subcontract award) from the National Institute on Drug Abuse.
37. 09/11/2017–06/30/2020. Paths 2 the Future: Testing the Efficacy of a Career Development Intervention for High School Girls with Disabilities (R324A170148; Principal Investigator: Lindstrom; Co-Principal Investigator and PI on UO subcontract: Leve). For \$1,761,243 (UO subcontract award) from the U.S. Department of Education Institute of Education Sciences.
36. 06/19/2017–08/11/2017. 2017 Summer Research with NIDA: Translational Drug Abuse Prevention Center (R01 DA035763-05S1; Principal Investigator: Leve; undergraduate students: McCall, McEwen, Rhodes). For \$25,401 (total supplement costs) from the National Institute on Drug Abuse.
35. 09/21/2016–08/31/2018. The Early Growth and Development Study Pediatric Cohort (1UG3 OD023389; Principal Investigators: Leve, Neiderhiser, Ganiban). For \$3,321,291 (total costs) from the National Institutes of Health Office of the Director.
34. 06/01/2015–05/31/2016. 2015 Summer Research with NIDA: Siblings Reared Apart: A Naturalistic Cross-Fostering Study of Young Children (R01 DA035062-03S1; Principal Investigator: Leve; undergraduate student: Handforth). For \$7,927 (total supplement costs) from the National Institute on Drug Abuse.
33. 07/1/2015–06/30/2017. Paths 2 the Future: Testing the Efficacy of a Career Development Intervention for High School Girls with Disabilities (R324A150046; Principal Investigator: Lindstrom; Co-Investigator: Leve). For \$1,180,443.77 (total costs) from the U.S. Department of Education Institute of Education Sciences.
32. 01/01/2015–12/31/2016. A Girls-Specific Prevention Program for Substance Use and Delinquency. (R21 DA037455; Principal Investigator: Walker; Principal Investigator on UO subcontract: Leve). For \$22,928 (UO subcontract award) from the National Institute on Drug Abuse.
31. 01/01/2015–12/31/2016. Utilizing Adoption-Based Research Designs to Examine the Interplay Between Family Relationship Processes and Child Developmental Outcomes (ES/L014718/1; Principal Investigator: Harold; Principal Investigator on UO Subcontract: Leve). For \$14,406 (total UO subcontract costs) from the Economic and Social Research Council, United Kingdom.
30. 09/01/2014–08/31/2017. Family and Peer Processes and G-E Interplay in Middle School: An Adoption Study (R56 HD042608; Principal Investigator). For \$700,000 (total costs) from the National Institute of Child Health and Human Development.
29. 06/01/2014–05/31/2017. Diversity Supplement: Siblings Reared Apart: A Naturalistic Cross-Fostering Study of Young Children (R01DA025857; Principal Investigator on predoctoral student supplement: Leve; Student: Perez). For \$122,840 (total supplement costs) from the National Institute on Drug Abuse.
28. 06/16/2014–08/22/2014. 2014 Summer Research with NIDA: Siblings Reared Apart: A Naturalistic Cross-Fostering Study of Young Children (R01DA035062-02S1; Principal Investigator: Leve; undergraduate student: Admasu). For \$4,536 (total supplement costs) from

- the National Institute on Drug Abuse.
27. 05/01/2014–06/30/2015, Early Family Prevention of Adolescent Alcohol, Drug Use, and Psychopathology (R01DA036832-01A1; Principal Investigators: Shaw and Dishion; Principal Investigator on UO subcontract: Leve). For \$489,478 (total subcontract costs) from the National Institute on Drug Abuse.
 26. 07/01/2013–03/31/2019, Translational Drug Abuse Prevention Center (P50 DA035763; Principal Investigators: Chamberlain and Fisher; Co-Investigator: Leve; Leve also serves as PI on Project 2). For \$10,654,288 (total costs) from the National Institute on Drug Abuse.
 25. 12/01/2013–11/30/2018, Preventing HIV/STI Risk Behavior in Girls with Delinquency, Drug Abuse & Trauma (R01 DA025857; Principal Investigator: Smith; Consultant: Leve). For \$459,931 (total costs in Year 01) from the National Institute on Drug Abuse.
 24. 09/30/2013–05/31/2018, Siblings Reared Apart: A Naturalistic Cross-Fostering Study of Young Children (R01 DA035062; Principal Investigator: Leve). For \$2,591,071 (total costs) from the National Institute on Drug Abuse.
 23. 03/05/2012–2/28/2017, Teens' Risk during Transition: Preventing Drug Use, HIV, & School Problems (R01 DA032634; Principal Investigator: Chamberlain; Co-Investigator: Leve). For \$3,522,467 (total costs) from the National Institute on Drug Abuse.
 22. 09/01/2011–05/31/2017, Gene-Environment Interplay and Childhood Obesity: An Adoption Study (R01 DK090264; Principal Investigator: Ganiban; Principal Investigator on UO subcontract: Leve). For \$538,219 (total costs on UO subcontract) from the National Institute of Diabetes and Digestive and Kidney Disease.
 21. 09/28/2010–06/30/2016, Gene-Environment Interplay and the Development of Psychiatric Symptoms in Children (R01 MH092118; Multiple Principal Investigators: Leve and Neiderhiser). Grant award of \$1,809,533 (direct cost on UO subcontract) from the National Institute of Mental Health.
 20. 09/15/2008–06/30/2014, Center for Drug Abuse Prevention in the Child Welfare System (P30 DA023920; Principal Investigator: Chamberlain; Co-Investigator: Leve). Grant award of \$6,464,622.00 (direct costs) from the National Institute on Drug Abuse.
 19. 09/01/2007–07/31/2014, The Early Growth and Development Study: Family Process, Genes, and School Entry (R01 HD042608; Principal Investigator: Leve). Grant award of \$5,843,521 (direct costs) from the National Institute on Child Health and Human Development, co-funded by the National Institute on Drug Abuse and OBSSR (the Office of the Director).
 18. 07/01/2010–06/30/2013, Long-term Treatment Effects on Juvenile Justice Girls' Depression and Suicide Risk (R03 MH091611; Principal Investigator: Kerr; Co-Investigator: Leve). \$148,000 (total costs) from the National Institute of Mental Health.
 17. 04/01/2010–03/31/2013, Decision Making in Foster Care Girls (R21 DA027091; Multiple Principal Investigators: Leve and Weller). Grant award of \$226,000 (direct costs on subcontract) from the National Institute on Drug Abuse.

16. 02/15/2009–12/31/2013, Juvenile Justice Girls: Pathways to Adjustment and System Use in Young Adulthood (R01 DA024672; Principal Investigator: Leve). Grant award of \$2,328,299 (direct costs) from the National Institute on Drug Abuse.
15. 09/15/2007–05/31/2013, Genes, Prenatal Drug Exposure and Postnatal Environment: An Adoption Study (R01 DA020585; Principal Investigator: Neiderhiser; Principal Investigator on subcontract: Leve). Grant award of \$1,363,738 (direct costs on subcontract) from the National Institute on Drug Abuse, co-funded by the National Institute of Mental Health and OBSSR (the Office of the Director).
14. 09/15/2006–07/31/2013, Community Development Teams to Scale-Up MTFC in California (R01 MH076158; Principal Investigator: Chamberlain; Co-Investigator: Leve). Grant award of \$4,865,840 (direct costs) from the National Institute of Mental Health.
13. 08/01/2009–07/31/2012, Preventing Drug Abuse and HIV/AIDS in Delinquent Youths: An Integrated Intervention (R01 DA025857; Principal Investigator: Smith; Co-Investigator: Leve). Grant award of \$435,720 (Y1 direct costs) from the National Institute on Drug Abuse.
12. 07/01/2006–06/30/2012, Preventing Behavior and Health Problems in Foster Teens (R01 DA020172; Principal Investigator: Chamberlain; Co-Investigator: Leve). Grant award of \$2,582,559 (direct costs) from the National Institute on Drug Abuse.
11. 06/06/2005–05/31/2011, Dimensions of Early Stress and Child Welfare Involvement (R01 HD045894; Principal Investigator: Fisher; Co-Investigator: Leve). Grant award of \$1,924,935 (direct costs) from the National Institute on Child Health and Human Development.
10. 06/15/2005–03/31/2011, EIFC: Outcomes through Middle Childhood (R01 MH059780; Principal Investigator: Fisher, Co-Investigator: Leve). Grant award of \$1,941,613 (direct costs) from the National Institute of Mental Health.
9. 12/01/2003–11/30/2009, Preventing Problems for Girls in Foster Care (R01 MH054257; Principal Investigator: Leve). Grant award of \$1,979,657 (direct costs) from the National Institute of Mental Health.
8. 08/01/2003–09/30/2009, Pathways Home: Reducing Risk in the Child Welfare System (P20 DA017592; Principal Investigator: Reid; Co-Investigator: Leve – PI of the Theory Core). Grant award of \$4,656,772 (direct costs) from the National Institute on Drug Abuse.
7. 05/01/2003–04/30/2009, Effects of Incarceration on Children (R01 MH065553; Principal Investigator: Eddy; Co-Investigator: Leve). Grant award of \$2,197,184 (direct costs) from the National Institute of Mental Health.
6. 06/01/2002–05/31/2008, Preventing Health-Risking Behaviors in Delinquent Girls (R01 DA015208; Principal Investigator: Chamberlain; Co-Investigator: Leve). Grant award of \$2,319,419 (direct costs) from the National Institute on Drug Abuse.
5. 09/01/2002–08/31/2007, The Early Growth and Development Study (R01 HD042608; Principal Investigator: Reiss; Principal Investigator for OSLC subcontract: Leve). Grant award of \$6,715,049 (direct costs) from the National Institute on Child Health and Human Development.

4. 06/01/1999–05/31/2005, Oregon Prevention Research Center (P50 MH046690; Principal Investigator: Reid; Co-Investigator: Leve). Grant award of \$3,980,973 (direct costs) from the National Institute of Mental Health.
3. 03/01/1998–05/31/2002, Origin of Mental Health Problems in the Family (R01 MH037911; Principal Investigator: Leve). Grant award of \$991,913 (direct costs) from the National Institute of Mental Health.
2. 03/01/1998–05/31/2001, Process of Fathering: Effects on his Child's Competence (R01 HD019739; Principal Investigator: Fisher; Co-Investigator: Leve). Grant award of \$246,573 (direct costs) from the National Institute on Child Health and Human Development.
1. 06/01/1997–05/31/1998, High Risk Peer Behavior: A Pre-Intervention Study (R03 MH057053; Principal Investigator: Leve). Grant award of \$25,000 (direct costs).

TEACHING & ADVISING

Teaching

AY 2018–19: Courses Taught (credits)

PREV 607: Doctoral Seminar: Prevention Science Research (1 – F,W,S)
 CPSY 607: Doc Sem Adol Risk ((1 – F,W,S))

AY 2018–19: Guest Lecturer

PREV 607: Capstone Prevention Science

AY 2017–18: Courses Taught (credits)

PREV 607: Doctoral Seminar: Prevention Science Research (1 – F,W,S)
 CPSY 607: Doc Sem Adol Risk ((1 – F,W,S))

AY 2017–18: Guest Lecturer

EMPL 659: Professional Writing for Publication

AY 2016–17: Courses Taught (credits)

CPSY 607: Doctoral Seminar: Adolescent Health-Risking Behavior (1– F,W,S)

AY 2016–17: Guest Lecturer

EMPL 659: Professional Writing for Publication
 LAW 610: Child Development and the Law
 EDUC 612: Social Science Research Design

AY 2015–16: Courses Taught (credits)

CPSY 643: Community and Preventive Interventions (3)
 FHS 420: Research Methods in Family & Human Services (4)
 CPSY 607: Doctoral Seminar: Adolescent Health Risking Behavior (1 – F,W,S)

AY 2015–16: Guest Lecturer

EDUC 610: Foundations of Educational Research
 FHS 407: Global Citizenship: Nicaragua
 FHS 410/510: Addressing Challenging Behavior

AY 2014–15: Courses Taught (credits)

CPSY 643: Community and Preventive Interventions (3)
FHS 491: Professional Issues I Discussion Sections (2), APA writing
CPSY 607: Doctoral Seminar: Adolescent Health-Risking Behavior (1 — F,W,S)

AY 2014–15: Guest Lecturer

LAW 610: Child Development and the Law
FHS 410: International Adoptions
PSY 607: Seminar Developmental Research Group
CPSY 642: Child–Family Interventions
FHS 407: Global Citizenship: Panama

AY 2013–14: Courses Taught (credits)

CPSY 643: Community and Preventive Interventions (3)

AY 2013–14: Guest Lecturer

LAW 610: Child Development and the Law
CPSY 609: Child and Family Practicum
SPED 432: Introduction to Behavior Disorders
CPSY 642: Child–Family Interventions
PSY 607: Seminar Developmental Research Group

AY 1998–2013: Guest Lecturer (at *University of Oregon; University of Leicester; University of Otago*)

Development and Psychopathology
Research Methods
Families and Children
Brain and Behavior
Clinical Methods

AY 1994–95: Courses Taught (credits)

Advising

Ph.D. Students, Primary Advisor

Alejandra Garcia Isaza, Prevention Science, University of Oregon, 2017–present
Camille Cioffi, Prevention Science, University of Oregon, 2017–present
Andre Klest, Prevention Science, University of Oregon, 2016–present
Maira Birrueta, Counseling Psychology, University of Oregon, 2016–present
Rachel Kovensky, Counseling Psychology, University of Oregon, 2015–present
Cady Kintner, Counseling Psychology, University of Oregon, 2014–present
Emily Reich, Counseling Psychology, University of Oregon, 2013–present
Nick Hong, Predoctoral minority supplement awardee, Psychology, University of Oregon, 1998–
2000. Current position: Clinical Director, Montana Academy

Postdoctoral Fellow, Primary Mentor

Amanda Griffin, Postdoctoral Fellow, University of Oregon, 2018–present
 Hannah Tavalire, Postdoctoral Fellow, University of Oregon, 2017–present
 Kimberly Rhoades, Postdoctoral Fellow, Oregon Social Learning Center, 2009–2013. Current position: Assistant Research Scientist, Department of Cariology and Comprehensive Care, New York University
 Mark Van Ryzin, Postdoctoral Fellow, Oregon Social Learning Center, 2009–2012. Current position: Instructor, University of Oregon
 Anne Mannering, Postdoctoral Fellow, Oregon Social Learning Center, 2009–2011. Current position: Senior Instructor, Oregon State University, Human Development and Family Sciences
 Heidemarie Laurent, Postdoctoral Fellow, Oregon Social Learning Center, 2008–2010. Current position: Assistant Professor of Psychology, University of Illinois at Urbana-Champaign
 Shannon Lipscomb, Postdoctoral Scholar position, Oregon Social Learning Center, 2007–2011. Current position: Associate Professor and Program Lead, Oregon State University Cascades, Human Development and Family Sciences
 Amber Johnson, Postdoctoral Fellow, Oregon Social Learning Center, 2005–2006. Current position: Statistical Analyst III, State of Nebraska, Dept of Health and Human Services, Division of Behavioral Health

Postdoctoral Fellow, Secondary Mentor

Kit Elam, Postdoctoral Fellow, University of Leicester, UK, 2009–2011. Current position: Assistant Professor, Arizona State University, Sanford School for Social and Family Dynamics
 David Kerr, Postdoctoral Fellow, Oregon Social Learning Center, 2008–2010. Current position: Associate Professor, Oregon State University, Department of Psychology

Dissertation Committee Chair

Emily Reich, Ph.D. in Counseling Psychology, University of Oregon. (2019–expected)
 Cady Kintner, Ph.D. in Counseling Psychology, University of Oregon. (2020–expected)

Dissertation Committee Member

Jessica Flannery, Ph.D. in Clinical Psychology, University of Oregon (2020-expected). “What the gut-brain axis may reveal about depressive symptomatology during adolescence.”
 Aleksandria Perez Grabow, Ph.D. in Counseling Psychology, University of Oregon. (2019–expected). “Is the influence of media violence exposure on adolescent physical aggression moderated by exposure to real-life violence?”
 Kadie Johnson, Ph.D. in Counseling Psychology, University of Oregon. (2019–expected). “Change trajectories for parent skill acquisition during parent-child interaction therapy for child welfare-involved families.”
 Amala Shetty, Ph.D. in Counseling Psychology, University of Oregon, 2018. “The associations between complementarity, non-complementarity, and attachment style.”
 Katelyn Anderson, Ph.D. in Counseling Psychology, University of Oregon, 2017. “Parenting behaviors during adolescence and associations with emerging adult educational attainment and mental health.”
 Rebecca Franz, Ph.D. in Special Education, University of Oregon, 2017. “Coaching teaching assistants to implement naturalistic behavioral teaching strategies to enhance social communication skills during play in the preschool classroom.”
 Kathryn Gilliam Beauchamp, Ph.D. in Clinical Psychology, University of Oregon, 2017. “Context-specific inhibitory control training in adolescents with a range of early life stress exposure: Employing a translational neuroscience approach for innovative intervention development.”
 Kate Arnold, Ph.D. in Psychology, University of Sussex, 2016. “The influence of parental depression, interparental conflict and parent-child hostility on the development of psychopathology in children and adolescents.”

- Rosemary Bernstein, Ph.D. in Clinical Psychology, University of Oregon, 2016. "Identifying perinatal predictors of disorganized infant–mother attachment: An important step toward connecting families with appropriate early interventions."
- Brianna Delker, Ph.D. in Clinical Psychology, University of Oregon, 2016. "Relationships without reward: The role of childhood abuse history in maternal addiction, mental health, and parenting."
- Kara Hirano, Ph.D. in Special Education, University of Oregon, 2016. "Parent involvement in secondary special education and transition: A psychometric study."
- Jessica Linscott, Ph.D. in Counseling Psychology, University of Oregon, 2017. "The intergenerational continuity of child maltreatment: An examination of adolescent, young adult, and reproductive risk factors among high-risk women."
- Audra Horney, Ph.D. in Counseling Psychology, University of Oregon, 2015. "Eating disorder group-based trajectories, associated risk factors, and the impact of prevention."
- Shannon Peake, Ph.D. in Clinical Psychology, University of Oregon, 2015. "Susceptibility to peer influence, social exclusion, and adolescent risky decisions."
- Kimbree Brown, Ph.D. in Counseling Psychology, University of Oregon, 2014. "Ecological predictors of school service usage and early academic skills in kindergarten children with developmental disabilities and delays."
- Owen Niel Christopher Spear, Ph.D. in Clinical Psychology, Melbourne School of Psychological Sciences, 2013. "Neighborhood disadvantage and internalizing symptoms in adolescents: The mediating role of stressful life events, temperament, and maternal aggression."
- Magdalena Kieplikowski, Ph.D. in Psychology, Victoria University of Wellington, 2011. "Family dynamics and children's outcomes: The role of silent interparental conflict."
- Emma Howarth, Ph.D. in Psychology, Cardiff University, 2008. "Interparental conflict, domestic violence and children's psychological development: The role of children's perceptions of parental behavior."

Dissertation Committee: Data Mentor/Sponsor (unofficial dissertation committee member)

- Mary Marsiglio, Ph.D. in Counseling Psychology, University of Oregon, 2012. "Examining the link between trauma and delinquency for juvenile delinquent girls: A longitudinal study."
- Bernadette Bullock, Ph.D. in Clinical Psychology, University of Oregon, 2004. "Deviant peer association and problem behavior: A test of genetic and environmental influences."

Master's Students

- Daschel Franz, MEd in Prevention Science, University of Oregon, 2019 (expected).
- Randall Gottfriedson, MEd in Prevention Science, University of Oregon, 2019 (expected).
- Xiao Cheng, M.S. in Prevention Science, University of Oregon, 2019 (expected).
- Muzi Li, M.S. in Prevention Science, University of Oregon, 2018. "Family and individual predictors of attachment in emerging adulthood."
- Aliya Khan, M.S. in Counseling, Family, and Human Services, University of Oregon, 2016. "Substance use during pregnancy in teenage women: Mental health and social support factors"

Master's Students Thesis Committee Member

- Adam Pettit, Masters in Psychology, University of Oregon, 2018. "Putative brain maturation as a moderator of intervention success in adolescent girls."
- Lindsay Taraban, Masters in Psychology, University of Pittsburgh, 2015. "Maternal depressive symptoms and parenting behavior: Moderation by marital quality and child negative emotionality."
- Julia Reuben, Masters in Psychology, University of Pittsburgh, 2014. "Behavioral inhibition and effortful control: Independent and interactive predictors of child externalizing behavior."

Master's Students, Capstone Project: Data Mentor

- Savannah Callahan, MEd in Prevention Science, University of Oregon, 2019 (expected).
- Debbie Hymas, MEd in Prevention Science, University of Oregon, 2019 (expected).
- Selam Wako, M.Ed. in CFHS, Prevention Science specialization, University of Oregon, 2016.
 “Impulsivity and marital warmth and hostility in adoptive and birth families.”
- Jenna Gilardi, M.Ed. in CFHS, Prevention Science specialization, University of Oregon, 2015.
 “Multidimensional Treatment Foster Care in juvenile justice system: Outcomes for females with sexual abuse history.”
- Alana Hu, M.Ed. in CFHS, Prevention Science specialization, University of Oregon, 2015. “Peer relations and delinquency in foster girls following a skill-building preventive intervention.”
- Roger Wert, M.Ed. in CFHS, Prevention Science specialization, University of Oregon, 2015. “Self-concept and academic achievement.”
- Lindsey Low, M.Ed. in CFHS, Prevention Science specialization, University of Oregon, 2015.
 “Adolescent parenthood and associated risk of adult involvement with child welfare”
- Laura Johnson, M.Ed. in CFHS, Prevention Science specialization, University of Oregon, 2014.
 “Emergency room visits among women with prior juvenile justice involvement.”
- Timothy Matthews, M.Ed. in CFHS, Prevention Science specialization, University of Oregon, 2014.
 “Distance from home and outcomes in delinquent girls referred for out-of-home care.”
- Brian Reece, M.Ed. in CFHS, Prevention Science specialization, University of Oregon, 2014. “Are racial attitudes associated with birth mothers’ decision to place infant with same-sex couples?”
 Current position: Associate Director for Assessment and Communication, University of Miami
- Tom Hollenstein, M.S., Psychology, University of Oregon, 2001. Current position: Associate Professor, Queen’s University, Department of Psychology

Preliminary Exam Committee Member

Robin Hertz, Clinical Psychology, University of Oregon, 2015–16.

Undergraduate Honor’s Thesis Committee Member

- Sophie Thackray, Family & Human Services and the Robert D. Clark Honors College, University of Oregon, 2014. “Those to whom evil is done do evil in return: The importance of improving children’s welfare policy for the prevention of juvenile delinquency in the United States.”
- Tiffany Lee, Sociology and the Robert D. Clark Honors College, University of Oregon, 2007,
 “Educational aspirations and delinquency among adolescents.”
- Brooke Parrill, Psychology and the Robert D. Clark Honors College, University of Oregon, 2007.
 “Delinquent girls’ methamphetamine use.”
- Christine Adams, Psychology and the Robert D. Clark Honors College, University of Oregon, 2002.
 “Attachment and educational aspirations.”
- Felicity Harper, Psychology and the Robert D. Clark Honors College, University of Oregon, 1998.
 “Twins’ peer and sibling relations.”

Undergraduate Research Advisor

- Madison Fetzer, FHS student, University of Oregon, 2019–
- Sarah Martin, Psychology student, University of Oregon, 2019–
- McKenzie White, FHS student, University of Oregon, 2015–2016
- Arielle Handforth, Stanford University, NIDA summer research internship, summer 2015
- Selam Wako, FHS student, University of Oregon, winter 2015
- Ashley Brady, FHS student, University of Oregon, winter 2014; spring 2014
- Mariam Admasu, FHS student, University of Oregon, NIDA summer research internship, summer 2014

High School Student Advisor (research; senior thesis)

Madison Anderson, Glendora High School, 2018–19

Emma Wu Shortt, South Eugene High School, 2015–16
 Sophie Kreitzberg, South Eugene High School, 2014

SERVICE

Institutional Service: University of Oregon

University Service

2018–2019	Member, Knight Campus Tenure Track Faculty Personnel Committee
2018–	OHSU-UO Task Force, Co-Chair
2018	Member, Visioning Committee for the Presidential Initiative in Data Science
2017–2018	Search Committee Member, Human Microbiome Science
2017–2018	Search Committee Member, Executive Director of the Phil and Penny Knight Campus for Accelerating Scientific Impact
2017–2018	Member, President's Ad Hoc Budget Advisory Committee
2017–2019	Internal Advisory Board for the Knight Campus for Accelerating Scientific Impact
2016–2017	Member, Advisory Committee on Applied and Translational Science
2016–2017	Member, Research Advisory Board, Office of the Vice President for Research and Innovation
2016–2017	Member, Conflict of Interest in Research Committee
2015–2016	Search Committee Member, Vice President for Research and Innovation
2015	Member, Life Sciences Task Force
2014–2015	Member, Presidential Search Committee
2014	Search Committee Member, Associate Vice President for Research
2013–present	Associate Director, Prevention Science Institute

College Service

2018–	College of Education, Faculty Personnel Committee, Member
2017–	Faculty Advisory Committee
2016–2017	Applied Methodologist Faculty Search Committee, Chair
2015–2016	Leona Tyler Endowed Lecture Series Committee, Chair
2015	College of Education, Curricular Innovations Workgroup, Member
2014–2015	College of Education, Faculty Personnel Committee, Member
2014–2015	School Psychology Faculty Search Committee position 1, Member
2014–2015	School Psychology Faculty Search Committee position 2, Member

Department Services

2017–	Associate Program Director, Prevention Science degree programs (MEd, MS, PhD)
2016–2017	Program Director, Prevention Science doctoral program
2015–2016	Service-Learning Program, Courts for Kids Service Learning Trip to Nicaragua, supervisor of UO students
2015–2016	Health Promotion and Obesity Prevention Cluster Hire Search Committee, College of Education (three faculty positions)
2015–2016	FHS curriculum workgroup
2014–2016	Prevention Science and Health Promotion graduate degrees, program development
2014–2015	Service-Learning Program, Courts for Kids Service Learning Trip to Panama, supervisor of UO students
2014	CPHS Merit Policy Work Group, Member
2014–present	CPSY Graduate Admissions Committee, Member
2014	FHS ECE Program Evaluation Committee, Member

2014	FHS ECE Faculty Hire Search Committee, Member
2014–2015	FHS Undergraduate Admissions, Member
2014–2016	Prevention Science M.Ed. Admissions, Contributor

Institutional Service: Oregon Social Learning Center

2010–2013	Science Director
2010–2013	Media Team Member
2010–2013	OSLC Conference Committee (Chair: 2009; 2011)
2010–2011	Chief Operating Officer Hiring Committee
2008–2010	Management Committee
2006–2013	Budget Subcommittee
2006	Electronic Grant Submission Committee
2005–2006	Senior Administrator Review Committee
2004–2006	Management Committee (Chair: 2005–2006)
2003–2005	Staff Performance Review Committee
2000–2005	Human Resources Subcommittee
2000–2003	Scientist Development Subcommittee (Chair: 2001–2003)
1998–2013	Scientist Council (Chair: 2007; 2010–2013)

Professional Service

2018–	Member, Advisory Council, Northwest Prevention Technology Transfer Center Network
2018–2019	Member, Committee on Neurobiological and Socio-Behavioral Science of Adolescent Development and Its Applications, The National Academies of Sciences, Engineering and Medicine
2018–2021	Member, Oregon Clinical & Translational Research Institute (OCTRI) Council
2017–2019	President, Society for Prevention Research
2016–2017	President Elect, Society for Prevention Research
2016–2017	Member, 2017 Annual Conference Committee, Society for Prevention Research
2016	Member, Student Poster Contest review committee, Society for Prevention Research
2015–2016	Chair, Training Committee, Society for Prevention Research
2015–2016	Member, Strategic Planning Committee, Society for Prevention Research
2015–2016	Member, 2016 Annual Conference Committee, Society for Prevention Research
2015	Member, Development and Testing of Interventions thematic review panel, Society for Prevention Research
2015	Abstract Reviewer, Development and Testing of Interventions, Society for Prevention Research
2014–2016	Secretary, Society for Prevention Research
2014	Plenary Chair, Society for Prevention Research, Prevention and Promotion Efforts Focused on Early Childhood
2014	Chair, Development and Testing of Interventions thematic review panel, Society for Prevention Research
2013–2016	Member, Board of Directors, Society for Prevention Research
2013–2015	Member, Awards Committee, Society for Prevention Research
2013	Chair, Development and Testing of Interventions thematic review panel, Society for Prevention Research
2013	Plenary Chair, Common Pathways to Development, Society for Prevention Research
2012–2014	Member, Publication Committee, Society for Prevention Research

2012–2013	Member, 2013 Annual Conference Committee, Society for Prevention Research
2012	2012 Annual Conference Chair, Society for Prevention Research
2012	Chair, Common Pathways thematic review panel, Society for Prevention Research
2011	Abstract Reviewer, Panel 13, Society for Research in Child Development
2010–2014	Member, Communications Task Force, Society for Prevention Research
2010	Conference Chair, Improving Outcomes for Adopted Children and Families

Professional Memberships

2011–present	Global Consortium for Depression Prevention
1996–present	Society for Prevention Research
1996–present	Behavior Genetics Association
1995–present	American Psychological Association
1990–present	Society for Research in Child Development

Editorial Board Positions

2016–2018	Mentor for Alana Vivolo-Kantor, MPH, Early Career Reviewer Program, <i>Prevention Science</i>
2014–present	Editorial Board: <i>Development and Psychopathology</i>
2013–present	Editorial Board: <i>Adoption & Fostering</i>
2011–2018	Editorial Board: <i>Frontiers in Behavioral and Psychiatric Genetics</i>
2014–2016	Editor, <i>Child and Adolescent Mental Health</i>
2013–2015	Advisory Board: <i>Journal of Child Psychology & Psychiatry</i>
2008–2015	Editorial Board: <i>Journal of Family Psychology</i>

Grant Competition Proposal Reviews

December 2018	Reviewer, Sidra`s Clinical Research Challenge Grants 2019, Qatar
June 2017	Member, National Institutes of Health Special Emphasis Panel on Healthcare Delivery and Methodologies (HDM-Y 03) Member Conflict Study Section
October 2016	Reviewer, Reducing Inequality, William T. Grant Foundation
July 2016	Member, National Institutes of Health Special Emphasis Panel on Healthcare Delivery and Methodologies (HDM – C 06) Member Conflict Study Section

2015–2019	Member, Addiction Risks and Mechanisms (ARM) Study Section, National Institutes of Health
June 2015	Member, Risk, Prevention and Interventions for Addictions-Overflow (RPIA-N) Study Section
March 2015	Member, Risk, Prevention and Interventions for Addictions-Overflow (RPIA-N) Study Section
October 2014	Member, Risk, Prevention and Interventions for Addictions-Overflow (RPIA-N) Study Section
July 2014	Chair of the National Institutes of Health Special Emphasis Panel on Interventions for Health Behavior Over the Life Course (ZRG1 RPHB-S (03) M) Study Section
March 2014	Chair of the National Institutes of Health Special Emphasis Panel on Epigenetics (ZRG1 PSE-D 50) Study Section
June 2013	Temporary Member, Mechanisms of Emotion, Stress, and Health (MESH) Study Section
October 2012	Member, National Institutes of Health Special Emphasis Panel (ZRG1 PSE-N (02) M) Study Section
August 2009	Member, National Institutes of Health Special Emphasis Panel (ZRG1 PSE-E 95S) Study Section
April 2009	Member, National Institutes of Health Special Emphasis Panel (BBBP-L(60)S) Study Section
July 2008–June 2012	Member, Behavioral Genetics and Epidemiology Study Section (BGES), National Institutes of Health
February 2008	Member, National Institutes of Health Special Emphasis Panel (ZRG1 HOP-T 04) Study Section
December 2007	Medical Research Council, UK
November 2007	Institute for Mental Health Research, Arizona
June 2007–July 2008	Temporary Member, Behavioral Genetics and Epidemiology Study Section (BGES)

Tenure and Promotion Reviews: External Reviewer

2017	Washington State University
2015	University of Washington
	Northwestern University
2014	University of Texas, Austin
	New York University
	Arizona State University

2013 University of California, Riverside
Oregon State University

Sponsor for Visiting Faculty

2019–2020 Chang Woo Park, Associate Professor, Catholic Kwandong University,
Republic of Korea
2018–2019 Joshua Patras, Associate Professor, The Arctic University of Norway
2017–2020 Spoke Wintersparv, PhD student, Umeå University, Sweden
2015–2016 Fei Guo, Assistant Professor, Institute of Psychology, Chinese Academy of
Sciences, China

Community Service

January 2018 Presentation on “College of Education Prevention Science Research” to
UO Alumni Association
July 2017 Presentation on “Tackling the Obesity Epidemic” to Eugene Community
(Quack Chat)
May 2016 Presentation on “Girls in foster care: Characteristics, interventions, and
outcomes” to State of Oregon Research Council
July 2015 Presentation on adoption and parent mental health to WellMama
 (“Research Blast”)
February 2015 Presentation on Drug Court to Lane County Department of Youth Services
April 2011 Conference Chair, “Science Benefitting Families,” Eugene, OR
November 2010 Conference Chair, “Improving Outcomes for Adopted Children and
Families,” Eugene, OR
April 2009 Conference Chair, “Supporting Youth and Families: Evidence-Based
Practices at Work: Where Research Meets the Road,” Eugene, OR
2007–2016 Board of Directors, Three Little Birds Day Care
