

Greg Dotson

Assistant Professor of Law
University of Oregon, School of Law
1515 Agate Street | Eugene, OR 97403-1221
gdotson@uoregon.edu

Academic Experience

Assistant Professor of Law **January 2017 to present**
University of Oregon School of Law

- Teach Environmental Law and Climate Change Law and Policy.
- Developed and teach Environmental Policy Practicum, a new course offering, to help law students develop practical policy skills.
- Lead the Energy Law and Policy Project in the Environmental and Natural Resources Law Center, supervising two to four law student fellows per year who conduct research and organize events relating to climate change law and policy.

Adjunct Associate Professor **January 2014 to May 2016**
Washington College of Law, American University

- Taught a spring semester seminar entitled “Advanced Energy Law” on current energy topics including climate change, hydraulic fracturing, nuclear waste, international oil pipelines, renewable fuels and grid security.
- Consistently rated by students as an “effective teacher” with “clear and effective” presentations and “enthusiastic, stimulating, challenging, and thought-provoking.”

Other Professional Experience

Senior Fellow **January 2017 to Present**
Center for American Progress

- Provide expertise on energy and environmental policy matters.

Vice President for Energy Policy **June 2014 to December 2016**
Center for American Progress

- Led energy and environmental team of 15 policy professionals that produce and communicate politically relevant analysis and policy proposals.
- Fundraised and managed \$2 million annual budget.
- Presented the Center’s environmental and energy work to the press, policymakers and the public. Testified before House and Senate Committees and before EPA. Featured on National Public Radio, regional public radio, syndicated radio, MSNBC, Al Jazeera English television, local television and E&E TV. Quoted in *The Hill*, *Los Angeles Times*, *Politico* and

Alternet. Moderated public and private discussion panels of leading government and NGO leaders on key energy and environment issues.

- Developed policy proposals that have been legislatively introduced in the U.S. House of Representatives and U.S. Senate and endorsed by Presidential candidate Hillary Clinton.
- Authored or co-authored reports, issue briefs, columns and op-eds on energy and environment topics.

Steering Committee Member

August 2014 to December 2016

Energy Future Coalition

- Participated in steering committee's work to address the political and economic threat posed by the world's dependence on oil, the risk to the global environment from climate change, and the lack of access of the world's poor to modern energy services needed for economic advancement.

Congressional Experience

Lead environmental and energy staffer for Rep. Henry A. Waxman for over 18 years. Major accomplishments include House passage of comprehensive climate change legislation, enactment of clean energy, pesticide safety, drinking water, and clean air laws, and strategic defense of existing environmental protection laws.

Democratic Energy and Environment Staff Director

January 2011 to June 2014

House Energy and Commerce Committee
U.S. House of Representatives

- Lead energy and environmental staffer for the Energy and Power Subcommittee and the Environment and Economy Subcommittee, which have legislative jurisdiction over national energy policy, clean air and climate policy, and toxics and waste disposal policy.
- Supervised a team of 8 energy and environment professionals, including 4 counsels, on a wide range of energy and environment matters.

Chief Counsel, Environment and Energy

January 2009 to January 2011

House Energy and Commerce Committee
U.S. House of Representatives

- Lead energy and environmental advisor to Rep. Henry A. Waxman, Chairman.
- Assisted in developing and then strategically executing the Committee Chairman's agenda relating to national energy policy, clean air and climate policy, and toxics and waste disposal policy.
- Lead staffer on H.R. 2454, The American Clean Energy and Security Act of 2009, a comprehensive climate and energy bill, which passed the U.S. House of Representatives in June 2009.
- Lead House staffer on the energy provisions authorized in H.R. 1, The American Recovery and Reinvestment Act of 2009, which established new programs to support renewable energy and energy efficiency and provided \$34 billion for those purposes.

- Supervised a team of 14 energy and environment professionals, including 6 counsels, on a wide range of energy and environment matters.
- Spoke at organizations' meetings, including the American Bar Association, American Public Health Association, American Public Power Association, Combined Heat and Power Association, Environmental Grantmakers Association, the State and Territorial Air Pollution Program Administrators and the Association of Local Air Pollution Control Officials, and the Manufacturers of Emissions Controls Association.

Chief Environmental Counsel

January 2007 to January 2009

House Oversight Committee
U.S. House of Representatives

- Led investigations into the White House's politicization of climate change science, the U.S. EPA's efforts to block California's regulation of greenhouse gas emissions, and other high profile matters.
- Key staffer on the Energy Independence and Security Act of 2007 which made substantial improvements in light duty vehicle efficiency, energy efficiency of lighting and landmark improvements in the federal government's energy efficiency and carbon reduction performance.
- Led oversight of the Department of Energy, Department of Transportation, the Corps of Engineers, the Federal Emergency Management Agency and other federal agencies.
- Supervised a team of 6 energy and environment professionals, including 4 counsels.
- Followed international climate change negotiations, including as a congressional observer on the U.S. delegation to numerous Conferences of the Parties pursuant to the United Nations Framework Convention on Climate Change.

Counsel

January 1996 to January 2007

Office of Representative Henry A. Waxman
House Government Reform Committee
U.S. House of Representatives

- Staffed Representative Waxman on energy and environment matters, the Energy Policy Act of 2005, a comprehensive energy policy bill.
- Key staffer on the Food Quality Protection Act of 1996, which modernized and strengthened the nation's pesticide laws to require pesticide residues on foods to be safe for consumption by infants and children.
- Key staffer on the Safe Drinking Water Act Amendments of 1996, which established a state revolving loan fund to help states meet the nation's need for safe drinking water.

Publications

Articles and Book Chapters

Appointments

- Member, Electric Vehicle Supply Equipment Policy Technical Review Committee, National Association of State Energy Officials (2018).

Selected Presentations

- “Clean Energy Trends” Webinar entitled, “Advancing Clean Energy in Oregon,” sponsored by the Environment Initiative of the University of Oregon (Jan. 6, 2021).
- Testimony before the Oregon Senate Interim Committee on Environment and Natural Resources, “Clean Energy Trends” (December 7, 2020).
- “Upending the Nation’s Environmental Protections,” Oregon Community Foundation (May 27, 2020).
- “Legal Pathways for a National Zero Emission Vehicle Program,” Eighth Annual Sabin Colloquium on Innovative Environmental Law Scholarship, Columbia Law School (May 8, 2020).
- “COVID-19 and Climate Change,” University of Oregon Alumni Association (May 6, 2020).
- “State Authority to Regulate Mobile Source Greenhouse Gas Emissions, Part 2: A Legislative and Statutory History Assessment,” American Association of Law Schools, Works-in-Progress, Environment and Natural Resources Section (Jan. 4, 2020).
- “State Efforts to Cut Carbon Pollution from Cars and Trucks,” Worthy Garden Club, Bend, Oregon (Oct. 2019).
- “EPCA Preemption,” Webinar entitled, “The Administration’s recent Tailpipe Rule: Law and Policy,” sponsored by the Emmett Institute on Climate Change and the Environment, the Institute for Policy Integrity at NYU School of Law and the Environment and Natural Resources Law Center at the University of Oregon School of Law (Sept. 25, 2019).
- “Responding to Climate Change,” Association of Professional Energy Managers (September 13, 2019).
- “Climate Change Mitigation and Adaptation: Perspectives from the West,” Environmental Law Institute and Stoel Rives LLP Co-Sponsored Master Class (June 10, 2019).
- “How Oregon and the Nation are Responding to Climate Change,” The Osher Lifelong Learning Institute at the University of Oregon in Central Oregon (April 12, 2019).
- “Cap and Trade: How and Why,” Oregon 2019 Legislature Mid-Session CLE, Oregon State Bar Energy, Telecommunication and Utilities Section, Stoel Rives (March 15, 2019).
- Testimony before the Joint Committee on Carbon Reduction of the Oregon legislature (February 22, 2019).
- “Oregon’s 2019 Legislative Session: Carbon Reductions on the Agenda,” Journal of Environmental Law and Litigation Symposium, University of Oregon, Portland (January 18, 2019).
- “Congressional Investigations,” University of Oregon School of Law (October 8, 2018).
- “Revisiting Carbon Border Tax Adjustments: Is There a Need For a Policy Alternative?,” Vermont Law School’s Ninth Annual Colloquium on Environmental Scholarship (competitive selection)(September 2018).
- Panel Moderation, “The Law and Science of Carbon Reduction: Best Practices and Policies,” the Oregon Coastal Caucus Economic Summit 2018 (August 2018).

- “A Solution for Pollution? What Carbon Pricing Means for Oregon,” Presentation and Moderation at City Club of Central Oregon (May 2018).
- “Climate Change Policy in Oregon,” Wayne Morse Scholars, University of Oregon (May 2018).
- Workshop Presentation organized by Prof. Ann Carlson (invited), “The Carbon Tax Vote You've Never Heard of and What It Portends,” University of California Los Angeles School of Law (November 2, 2017).
- Workshop Presentation, “The Carbon Tax Vote You've Never Heard of and What It Portends,” University of Oregon School of Law (October 27, 2017).
- Workshop Presentation (invited), “The Carbon Tax Vote You've Never Heard of and What It Portends,” University of Colorado School of Law, hosted by University of Colorado School of Law, Duke Law, and University of California Santa Barbara (October 27, 2017).
- Testimony before a joint hearing of the Oregon Senate Environment and Natural Resources Committee and the Oregon House Energy and Environment Committee on climate change legislation (Mar. 1, 2017).
- Testimony, Hearing on Energy Infrastructure Legislation, Energy and Natural Resources Committee, U.S. Senate (May 14, 2015).
- “Action and Rebuilding: Key Issues Facing the Climate Advocacy Community,” Keynote Presentation, Conference on the Future of U.S. Climate Policy, Yale University, co-sponsored by the Rockefeller Family Fund and the Governance, Environment and Markets (GEM) Initiative at Yale, (Feb. 5, 2015).
- Testimony regarding the proposed Clean Power Plan, Public Hearing, U.S. Environmental Protection Agency (July 29, 2014).
- Testimony, The New Domestic Energy Paradigm: Downstream Challenges for Small Energy Businesses, Small Business Committee, U.S. House of Representatives (June 26, 2014).
- “Congressional Update on the Toxic Substances Control Act,” Presentation, GlobalChem 2010, Conference of the Society of Chemical Manufacturers & Affiliates (Mar. 30, 2010).
- Presentation on the American Clean Energy and Security Act, International Emissions Trading Association side event, Fifteenth session of the Conference of the Parties to the United Nations Framework Convention on Climate Change in Copenhagen, Denmark (Dec. 2009).
- “A View From the Capitol,” Presentation on pending Clean Air Act issues before Congress, ALL-ABA Course of Study, Clean Air: Law, Policy, and Practice (Nov. 9, 2007).
