Lead Faculty/Instructor (6/05-7/13)

Oregon Young Scholars Program, University of Oregon; Eugene, OR

- Developed interdisciplinary curriculum for High School students (Freshman through Seniors) to engage them during their one-week residency program
- Recruited and hired faculty from across the University of Oregon campus and local community
- Worked within an instructional team to create in-class and external learning opportunities for students including White Water Rafting and Spencer Butte Challenge Course (ROPES)
- Taught the business cohort consisting of 7-9 students each year
- Was secondary investigator on a \$35,000 grant from the Oregon Transportation Research and Education Consortium (funds were matched from the City of Eugene and the University of Oregon)
- Met with parents, students, and external funders of the program throughout the academic year

Adjunct Instructor (9/02-8/03)

Post University Online, Waterbury, CT

- Taught Principles of Management to undergraduate students online using WebCt
- Designed highly interactive course assignments to ensure student engagement during the short, 8-week course
- Provided feedback to Course Coordinators on issues within the curriculum and technology

Program Administrator and Organizational Development Consultant (5/98-4/03)

U.S. Coast Guard Leadership Development Center, New London, CT

- Administered the Coast Guard's internal Malcolm Baldrige-based Quality award, created all evaluation and training materials, trained examiners and mentored teams
- Created curriculum and evaluation materials for training programs within the Leadership Development Center to increase the training effectiveness and return on investment
- Led project teams for institutional and organizational projects, including distance-learning programs, training needs assessments, and training issues after mishaps and accidents
- Consulted with Coast Guard leaders on creating strategic plans and measurement systems
- Designed the strategic planning process using the Balanced Scorecard approach for the Leadership Development Center
- Managed implementation of a new curriculum for a mid-level manager's course that increased the effectiveness of the 600 yearly graduates
- Designed a blended (part distance education/part classroom) new employee orientation program saving \$75,000 in the first year of implementation

Quality Management Facilitator/Trainer (1/96-5/98)

U.S. Coast Guard Quality Center, Petaluma CA

- Taught and evaluated the Coast Guard's Facilitative Leader's Course that prepares employees for new supervisory and team leader roles
- Redesigned the Facilitative Leader's course to better meet employee and organizational needs.
- Redesigned the curricula for the Coast Guard's Basic Training Program impacting more than 5,000 people/year
- Rewrote the Coast Guard's Process Improvement Guide with more than 10,000 copies printed and distributed throughout the organization

Photojournalism Instructor and Assistant Course Coordinator (11/91-8/94)

Defense Information School, Ft. Harrison, IN

- Coached photojournalism students on improving their writing and photography skills
 - Created the first digital photography program in the military leading to the eventual elimination of chemical darkrooms for the school lessening its environmental impact
 - Handled administrative duties, including course scheduling, ordering supplies, camera maintenance and student conduct
-
